HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2052 **DATE:** 06/11/2017 **HARES:** Tail & Pith Head **(AGAIN!)**
LOCATION: Milton Park, Milton Road, Milton

Tail marked a bit, Pith Head marked a bit, all the bits were marked, even the pink bits – or was that pink arrows?

Milton Park, Milton Road, Milton near, you guessed it, Milton Train Station. A retired engine stands proudly in Milton Park – much like Pith Head, also retired, also out of steam after his second runners trail in two weeks! And he's a Hash Tart, so that's not likely to be even the half of his exploits this past week. Tail cleverly roped in an unsuspecting Harrier to take the blame for the massive hills on the run. We did notice her white arrows under his pink ones though….

Boxy read the run totals, announcing that Pith Head is our newest financial member (couldn't resist the cheap drinks) and Acting/Acting/Acting GM To and From called the Hares into the circle.

Run Report:
FIGJAM gave the Run Report, it was such a good run that it was going to be a 10 out of 10, until the near accident at the impossible hill, nobody could strain their necks back far enough to see the top of it and not one of our fine athletes could run up it. As they dragged their gasping carcases over the crest they saw with great relief that they

had arrived at the Wesley hospital and all went in for oxygen treatment for their altitude sickness.
Score: 3/10

Walk Report:
Sherbet gave the walk high praise, mostly because of the threesome she found – she may have meant threeway. She was in mortal danger at one point, as the walkers reached the top of that nasty hill Sherbet called "on back", but she was only joking.
Score: 5/10

Letterbox Report:
No letterboxers this week!

Total Score: 8/20
"We're glad you set the run, now stop your bloody bitchin…"

Religious Articles:

Small Appendage: Ten Fingers awarded it to Sherbet for being a super sleuth fork finder – she tracked down the Hash plates and cutlery.
"She's the woman who wears the Hash shoes.."

Large Appendage – Abbo awarded it to Pithy for setting another run before he was even a member.
"Has anybody seen his cock, his bed Rhode Island Red…"

Grub Shirt – FIGJAM awarded it to Tail for having issues with her clothing – dropped food on her shoes.
"She's a Harriett and she's alright…"

Measuring Paddle – Kima Sutra awarded it to Christopher Cum Semen for some scurilous accusation to do with Semen Stains needing her arse smacked.
"It isn't long and it isn't thick…"

Vagina Brush – missing in action.

Charges from the run:
Tail charged Pith Head with throwing three beers on himself.
"He's stupid, he's stupid…"

Ten Fingers charged FIGJAM for something that was quickly reversed.
"How dumb is that Hasher in the middle…"

Kima Sutra charged Pith Head for marking the run with pink chalk, sex on the run, being in touch with his feminine side. Acting/Acting/Acting GM To and From called Kima Sutra out on the charge too, for being ungrateful with a well-marked trail.
"If I had the wings of an eagle…"

Ten Fingers charged the Hares for a virgin run, having never run from Milton Park before – the charge was reversed because there's no park in Brisbane that hasn't felt the touch of a Hasher.
"Shit onya, shit ony, shit onya, in Russian that means I adore you…"

Returnees:
