HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2048 DATE: 09/10/2017 HARE: Abo LOCATION: Albany Creek

It never rains on Abo's runs – except on the GM and Sherbet.

"I'm back", he said, "I'm fat, lazy and unfit but also unemployed and can set a run if none other slack bastard can." With an offer like that how could we refuse? It was hot, humid and a short run was promised. The clouds hung low but everyone made it back damp only with sweat – except our **GM Pounda** and **Sherbet**, the heavens opened as they rounded the home straight.

Hash Cash Boxy gave the run count and our **GM Pounda** called the **Hare Abo** into the circle. **GM Pounda** thanked **Abo** for doing the run at short notice, freshly back from holidays and enjoying his retirement. **Abo** corrected the **GM**, saying he's not retired, he's been working in a calendar factory, but they gave him the sack because he missed a couple of days. Boom boom. Thank goodness his run setting is better than his joke telling.

The **Run Report** was given by **Cheesecake**, he did the run, the whole run, it was well set considering the storms, nice little hills, kept the runners and walkers together.
 Score: 3/3,000,000

The **Walk Report** was given by **G Spot**, he gave half the run and half the walk. It was absolutely marvellous. **Abo**

was so appreciative he offered **Spotty** his salty nuts – settle down, he meant the peanuts on the table.
Score: 10/10

The **Letterbox Report** was given by **Semen Stains**, it was great, she and **Wet Spot** followed the arrows until they didn't follow them and they kept going until there weren't any then when they reached the main road and turned back, what do you know, the arrows were just where they'd left them.

Score: 5/1,000

"Little arrows that you follow..."

RELIGIOUS ARTICLES

Big Prick: Sherbet awarded it to **Abo** for his terrible joke.

"Has anybody seen his cock..."

Little Prick: missing in action with **Pickpocket**, consoling himself with it over Manly's recent loss.

Vagina Brush: G Spot got to keep it for another week for leaving it behind last week.

"He's stupid..."

Scrubber Shirt: FIGJAM awarded it to **Scrubber** because recently a group of Veteran's were turned away from a lunch because they didn't have a reservation. Just as well because **Scrubber** was working the grill that day.

"Oh I stuck my head up a billy goat's arse..."

Prick Measure Paddle: missing in action with **Ned**. Must be stuck.

CHARGES:

Milestones – **Wheelbarrow** 700 runs, **Ten Fingers** 300 runs, **Flower** 200 runs.

"Here's to these pricks they're true blue..."

Heartstarter had 100 runs last week, **GM Pounda** inadvertently missed giving her a down down, will catch her at the camping weekend.

GM Pounda charged **Abo** because it's a known fact, that it doesn't ever, ever rain on a Hash run. It rained on the Hash run tonight because the run doesn't finish until the last Hasher's back.

"There's a skeeter on his peeter whack it off..."

Fakarwee charged **FIGJAM** for devious behaviour on the run – at the RG mark, he called it a Runners Group, and sent the walkers off up the hill instead of a re-group.

"Why was he born so beautiful..."

Kimasutra charged **Chunda** interfering with wildlife on the run, he wrestled a blue tongue lizard Steve Irwin style. (He was moving it off the path to safety.)

"Do your balls hang low..."

Wet Spot charged **Flasher** for being a lazy bastard and not doing the run, he got lost running around the Bunyville Forest and couldn't find the trail when he arrived in Albany Creek.

"Piss onya, piss onya, piss onya..."

FIGJAM charged **Kimasutra** for panting on the run "not tonight, not tonight, it's too sweaty and hot tonight", then he kept running and next she said "hang on **FIGGY** let me wipe myself on you", then a bit further on was heard to say "that **FIGGY** is a nice bloke" before starting to comment on her date. At which point he got out of there. He's not that sort of bloke.

GM Pounda charged **Sherbet** for telling another Harriett that she was pleased she was here tonight because she wanted to give her a big dick.

"Her left tit hangs over her shoulder..."

Kimasutra charged three overachieving bastards, unfortunately there are only two so the charge was reversed. Semen Stains leapt to her defence and scored a charge herself. The **TWO** overachieving bastards were **GM Pounda** and **Cheesecake**. **Chunda** was at home sitting on his couch watching Bathurst.
“They’re the women who wear the Hash shoes...”

Returnees: Scrubber has been cooking dirty schnitzels and greasy steaks instead of Hashing; so he doesn’t drink alone **Asshole Dick Fart** was called up to join him and **Smooth Ride** has returned from her European escapades and **Flasher** returned from extracurricular training. **Abo** was called out too, sausages may burn.
“Oh where oh where oh was you last week...”

ANNOUNCEMENTS

Camping weekend this weekend. No further details because registration has closed. If you’re desperate to go, contact **Cheesecake** to see if catering and **Hash Piss** can still accommodate late entries. Remember to bring your own water, eating utensils and plates!! **FIGJAM** will bring enough beer for military drinking – one can, per man, per day, perhaps. After being threatened with finding himself on the wrong end of a crab dinner, he thought he could manage a bit more.

Tour de Bribie is 21 October, see flyers sent out by email and on the Bribie Hash website.

Golf Day is 29 October, if you’re going let **Wheelbarrow** know. In memory of Bushie there will be a perpetual Bushie award.

Beachmere Occasional Hash has a discovery winery tour on 18 November, bus trip, 4 wineries, bring your Hash gear, \$30.00 – there will be 4 wineries at Beachmere by the 18th.

Christmas Party will be at **Generic’s** place on 2 December.

Hash Name: we’ve been working through the Committee members, this week Semen Stains was called up to explain her original name and conversion. Triple J was named by her Mother Hash, Thirsty Fine Comestibles Hash, after an away weekend at the Relay in 2015. She was sharing a room with True Blue who happened upon her sports bra and she was thereby named Triple J. However, in honour of her moving from the rear of the walkers to the rear of the runners, losing a substantial amount of weight along the way and no longer owning said infamous sports garment, Thirsty Hash GM **Kimasutra** renamed her **Semen Stains** because of her tendency to spill white wine on her shirt.

GM Pounda is away for the next four weeks, we will be entertained in his stead by Chunda and Cheesecake.

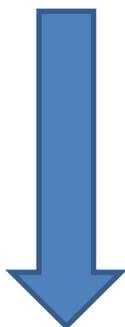

NEXT WEEK’S RUN #2049

Hares: Heartstarter and Overproof at 33 Aquarius St Kallangur

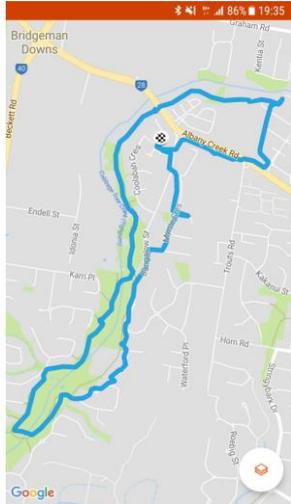

Abo’s sausage was not too long and not too thick, just perfect in a bun. Actually, in a slice of bread with salad and sauce, but that doesn’t sound quite so lurid.

Great run and yummy BBQ, thanks Abo!
