HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2050 DATE: 23/10 /2017 HARES: Pith Head
LOCATION: Wavell Heights

A Virgin Run in Wavell Heights, but not a single running virgin could be seen or heard.

An unexpectedly large crowd of Hashers inflicted themselves upon the good folks of Wavell Heights, Pith Head's neighbours are used to loud noises from his bachelor's pad, but not from his back yard. A torrential downpour was promised by the BOM with Hashers trying to find a mate to secure a position on the ark. The impending rain did not deter the determined and they were amply rewarded with a short run and good walk, both dry.

Boxy read the run totals and Acting GM Cheesecake called the circle, Acting RA Abbo poured the charges.

Run Report:

Pickaninny gave the Run Report, it was flat, about 3km too long.
 Score: 0/10

Walk Report:

To and From gave the walk high praise, it was a magical mystery tour.
 Score: 3/100

Letterbox Report:

Killer was falsely accused of a Letterbox, he did 30 minutes walk tonight, a damn fine effort on two very sore feet. Boxy only walked to his car, thus qualifying.

Score: 5/10

Total Score: 8/110

“Stormy trail, stormy trail (to the tune of shitty trail)...”

Religious Articles:

Small Appendage – Abbo awarded it to Flower for buying her tent, using it once at the Hash Camping Weekend and promptly selling it. She’s more of a cabine girl, the only tent she wants to see at future Hash events will belong to a well endowed young Hashman.

“There was a Harriet and she was dumb...”

Large Appendage – Heartstarter awarded it to Boxy for cuming late, the Harriet’s (Vampire & Smooth Ride) thought it was a nice change for a man to cum late as they usually cum early.

“His one skin hangs down to his two skin...”

Grub Shirt – Scrubber got superstar treatment on the run, FIGJAM was pointing out all the obstacles to the point where Scrubber thought he might produce champagne and caviar.

“He wanks his crank in the morning...”

Measuring Paddle – Ned was tempted to give it to Christopher Cum Semen for not wanting to stop at the regroup, he could use it to measure his thoughts. But he decided to give it to Kimasutra for imagining a naked man showering, she can use it to measure his attribute.

“Her left tit hangs down to her right tit...”

Charges from the run:

Christopher Cum Semen charged Kimasutra for asking FIGJAM for a quicky on the run. She professed innocence and said she meant a quick run, because of the threatening storm. Must be true as all the Harriets would much prefer a longy with FIGJAM.

“She’s a Harriet and she’s alright...”

Semen Stains charged Ryvita for sex on the run. Ryvita said on the run that anyone who was out on Saturday would have got wet and she was soaked through.

“Take it in your tits Mrs Murphy...”

FIGJAM charged Arsehold Dick Fart for screaming out “don’t touch my boobs” – she was actually warning the walkers to leave off her booze as they get back first.

“She’s the woman who wears the Hash Shoes...”

Semen Stains charged Scrubber with the Abbo award, for a spectacular tumble and recover within 1 metre of the driveway.

“There’s a skeeter on his peeter...”

Cheesecake charged To and From as it was his birthday yesterday and he is rumoured to have had an extra long shower to celebrate.

“Hashy birthday to you...”

Abbo apologised for missing To and From’s birthday, he had a little incident at the supermarket. When the lovely young cashier told him “strip down and face me” he hadn’t realised that she meant his card.

Returnees:

Pickaninny, Sir Pissalot, Tail (cooking and excused), Ned.

“Oh where oh where oh was you last week...”

Announcements:

Flower has sold her one-use-only tent.

Red Dress Run 12 December 2017. Check the flyer – if you turn up at the Plough Inn as usual you will be the only chump there in a red dress, except for the other illiterates and slackarses who couldn't be bothered checking the flyer. The run is from the **Cicada** this year, check the flyer.

Hash Christmas Party is no longer on 2 December, now on 9 December because it was clashes with the SEQ Bash.

Thank you to Pith Head and his Minions, for a short, pissworthy run; a fun, flat walk and most delicious and carb loading kai. Potatoes, bread and pasta. What more can a bunch of pissheads, er Hashers, want on a Monday night?
