## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at sometime in the future. Or nearly, anyway.

**RUN NO:** 2021 **DATE:** 03/04/2017 **HARE:** Calendar Girl **LOCATION:** Fitzbiggon, look for the paths without arrows.

**Operation COVERT ARROWS – not a mark, not a jot, not a dash, not an arrow to be found. #secretRun #screwEwesAll**

A delectable debacle of Hashers arrived by car, motorbike, broom stick and mosquito wing and braced themselves for a cruel trail, set by Calendar Girl at the last minute – or more accurately with about 4380 minutes to prepare. Our kindly and generous volunteer Hare-ett announced that there were no arrows, no marks at all because it was threatening rain and last time us bastards gave her such a hard time that she frankly felt “stuff youse all”. Mud maps were handed out for the mentally decrepit as the run was a classic trot around the block and the walk not much more thrilling. Good food was promised to atone for the lack of trail markings. It being only a shade past the yard arm of April Fool’s Day, our Calendar Girl’s namesake day, most believed it was a ploy and marks would surely be found.

Incredibly the Runners and Walkers all made it back in good time and after the compulsory rehydration, the GM called the circle.

The **Run Report** as told by **FIGJAM**:

10 marks awarded for every false trail

5 marks for every regroup

1 mark for every single arrow put down

**Score: 0/10**

“She’s a Harriette and she’s alright”

**HASH RELIGIOUS ARTICLES** – none were awarded tonight as all current holders were MIA

**Large Appendage:** 10 Fingers (Flower said it was unlikely that any such thing would be found in this cool weather)

**Small Appendage:** Scrubber

**Scrubber Shirt:** Flasher

**Brush (Vagina):** Pickpocket

#### **CHARGES:**

**Stupid** charged for a hat in the circle. “He’s stupid, he’s stupid”

**Ned** stepped forward with general information that someone wore a nice little red garter on the run and perhaps they’d like to do a can-can in the circle? The **GM** reversed the charge and advised it’s not red it’s orange and is called a patella band. Flower asked if it was a hernia support or perhaps a band to tuck his old fella in so it doesn’t flick up and hit him in the face when he runs? “Down down down your beer to answer for your crime”.

**Thirsty Committee Members** invited to come forward for a drink for their first run. The RA of Thirsty, TripleJ, corrected that it’s a vicious rumour and there’s even a trash to prove it. **Flower, Woppa & Triple J**. “You ought to be publicly pissed on”.

#### **Overproof**

Charge off the run: A small group of eager MAMILs gathered for a 47km bike ride on Sunday, about 27km later the GM looked at Overproof, took a photo of him and then told him that his helmet was on back to front. Excuse was that it was dark when they left, however the light was on in the garage even if not in his head. Photographic evidence duly published on Facebook for all the world to see Overproof’s very obvious wardrobe transgression. “He’s stupid”

#### **RETURNEES**

Skids, Fence Stripper and Stupid. “Where oh where oh was you last week”

#### **RENAMING**

Fence Stripper was called into the circle and made to take the position on her knees in front of the GM. Fence Stripper was name late in 2016 at Ned & Mammary’s house, 99% of the members voted for a name and the stand in GM chose another. On his first night officiating a Circle, the GM addressed this egress and renamed Vanessa “Double Check” because on the runs she always runs a check that someone else is already on. The comment was that well, she does come with Stupid. “Sister Hasher”.

#### **ABO’S AWARDS FROM THE AGPU**

**Pimp Award...** **FLOWER** on the Sir Poxo run it was promised that the walkers could all have a bit of Flower later.

**Toad Exterminator Award...** **NED** on the Vampire Run, Ned turned around and ran back to exterminate a toad he’d run past.

**Snow White Award...** **RYVITA** found herself lost in the woods with seven merry Brisbane Men’s Hashers.

**Foreign Ambassador Award...** **SMOOTH RIDE** for promoting the reputation of BNH3 Harrietts while abroad, when she fell over and rode an escalator on her back with a Russian man on top. (Or was it that she rode a Russian man under the escalator?)

**On Heat Award...** **TRIPLEJ** who could not keep her hands off the Large Appendage the week before CCS returned from overseas.

**Fig Jam** charged for the worst down-down song – “Jack and Jill” and something about a forgotten pill...

**Flower** sang him “has anyone seen his cock”.

Nobody claimed to have seen his cock, but we’ve all seen his mustang.
