## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at sometime in the future. Or nearly, anyway.

**RUN NO:** 2022 **DATE:** 10/04/2017 **HARE:** Wrong Way **LOCATION:** Park on Cnr Blaker & Towns, Keperra.

**BEST RUN EVER! Virgin trail, never seen before, maybe Boxy could set a run from here some time?**

The confused Hashers gathered at the corner of Blaker & Towns, only the truly intrepid ventured around the block to the covered picnic area, which looked a more likely location. **Wrong Way** had lived up to her name and the gathering was indeed intended to be on the opposite side of the park from the address that the Hare had provided.

Fortunately the skies were clear and stars were plenty so we were in no fear of being lost, as long as we stayed with those acquainted with naval navigation. The masses were subdued with pre-lubes and set off "over that way", some having scratched out farewell messages to loved ones (the Will's in the bread bin, etc), others dropping bread crumbs.

The scurrilous accusations were unfounded, the first 20km were well marked, the last 50km not quite so well, but nobody was lost for long... thanks to the pre-lube there were enough small puddles of beer-scented tinkle along the way, that any person with a half-decent sense of smell could find their way back.

**Heart Starter** was last back, puffing and panting, her face flushed and skin all a-glow, not surprising as she was with **10 Fingers**.

Our **GM Pounda** looked about and noted that there was no need to call a Circle-up as his military style is contagious and we were milling about in formation already. Our serious **RA Chunder** wrinkled his brow, flared a nostril, and the assembly fell silent.

The **Run Report** as told by **Christopher Cum Semen**:

Scores for the Arrows, there were plenty; several Checks; False Trails – yeah a few so we add all those up and then the length, well I thought I was running a half marathon. So we have to divide by half and arrive at 5/10.

**Score: 5/10**

The **Walk Report** as told by **Heart Starter**:

(**GM** called on **Heart Starter** to report as she was the happiest person arriving back from the walk tonight, she looked so happy he was afraid to look at her sideways.)

The first half was wonderful, arrows everywhere, then in the second half the arrows spread out and the walk went on and on and on. Not happy when she came back but over it now. It was rumoured to be **Wrong Way's** first run and **Smooth Ride** reminded **Heart Starter** that it always hurts the first time.

**Score: 2.5/20**

"Here's to **Wrong Way** she's True Blue..."

#### HASH RELIGIOUS ARTICLES

**Large Appendage: 10 Fingers** forgot to bring the big prick, has put it somewhere.

**Flower** said she's heard of a Wood Duck but he's a Wood Dick!

"Has anybody seen his cock?"

**Small Appendage: Goanna** gave it to **Pickpocket** to return, he awarded it to **Mustang Sally** for being proud of being a letterbox walker. **Mustang Sally** managed to drink her down-down inside of 30 minutes this time.

"Take it in your hand Mrs Murphy, I can't afford to buy you a crown..."

**Scrubber Shirt: Flasher** gave to **Scrubber**

For developing the Bribie Island Hash vocabulary, at the Beachmere Occasional Hash on the weekend the entire Bribie Island Hash (BIH3) told **Fakarwee** they objected to him being there. Our **GM Pounda** thought it was a reasonable comment because we object to him being at Northside every week but he keeps coming back. A BIH3 member asked **Smooth Ride** for the name of the guy with the bad language, but she's become so desensitised that she replied what bad language?

"He wanks his crank in the morning" (...and cleans it off with his shirt, ewwww!)

**WARNING to the poor sod who gets the shirt next week** – it was furiously rubbed across **Scrubbers'** undercarriage.

**Brush (Vagina): Pickpocket** awarded it to **Scrubber**

Continuing on from the previous Award, many members of BIH3 thought he could do with cleaning his mouth out.

"It isn't long and it isn't thick..."

#### CHARGES:

**Kimasutra** charged **Flower** for asking **Fig Jam** if she could borrow his pink tool. **Flower** replied that she needed a screw in her car. **GM** asked if it was a tool or a shovel because she was digging herself deeper.... Her sunvisor was loose and needed tightening; **Fig Jam** is always up for a tightening.

"She's a Harriet and she's alright..." (Just like her mum, she never did either.)

**GM** saw that **Scrubber** was busting his foo foo valve to charge someone, but said that it's like those Little Johnny jokes where the teacher is afraid to call on Little Johnny because he knows it's going to be bad. **Scrubber** proved him right, again, as the **GM** is always right. **Scrubber** attempted to charge **TripleJ** for technology in the Circle, for using her phone voice-recorder; the last time he was recorded he was in court. The **GM** nullified the charge because we are in the age of technology and he has approved **Triple J** using her phone to record the circle for the Trash.

**TripleJ** reversed the charge because **Scrubber** has never denied a lady a bit of battery operated assistance.

"Masturbation..."

**GM** charged **Double Check**: a week ago Vanessa was renamed **Double Check**, tonight **Christopher Cum Semen** ran up beside her on the run, said "Hi **Double Check**, how's your other half going?" "Oh, you're talking to me" she said.

"Here's to sister Hasher..."

**GM** charged **Pickpocket** for supporting Manly.

"He's got a skeeter on his Peter..."

**Boxy** charged **10 Fingers** because off in the distance we can see a car on the opposite side of the park with its headlights on, it's **Mrs 10 Fingers** waiting for him. **Boxy** offered the use of his phone but **10 Fingers** doesn't know his wife's number. His comment, nah she's right, she'll wait.  
"He's the meanest..."

**Fig Jam** charged **Flasher** for being a Rick with a silent P and not holding the checks with **B1** (or was it **B2**?) at the run at Beachmere. **GM** was more concerned about the fish net stockings and little red number **Flasher** wore at the afterparty. **Smooth Ride** was bothered by his lack of waxing.  
"His foreskin hangs down..."

**RA Chunda** charged **Flasher** for calling the **Previous GM** a walker.  
"Why was he born so beautiful..."

**RETURNEES** – nobody came back

**VISITORS** – The GM of Thirsty decided to hang out with the cool kids tonight, welcome **Kimasutra**.

**ABO'S AWARDS FROM THE AGPU** - None tonight as lots of charges in the Circle.
