HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2025 DATE: 01/05/2017 HARE: Vampire LOCATION: Vampire's Nacho Hut, Kallangur

Vampire's bloody marvellous nachos draw a crowd again!

The luscious **Vampire** is famous not only for her ability to draw blood from a stone, but also for her nachos, hospitality and most importantly.... Flat runs! Our taste buds and knees thank you **Vampire**.

Perhaps our Harriet is concerned about her neighbours as she suggested we all go inside to eat, before our **GM Pounda** had even called the circle. Not to fear, **Scrubber** was not here, we gathered in **Vampire's** garage and the circle commenced.

Vampire took her charge like a true **Harriett**, as noted by **Ryvita** "see **Smooth Ride**, that's how you do it, you just open up and swallow".

The **Run Report** as told by **Shredder**:

Shredder returned to running tonight, he thought the run was well marked, well done by all contributors.

Score: 9/1000

The **Walk Report** as told by **Heartstarter**:

Heartstarter thought the walk was well marked and a great walk, quite scenic, had some nice smells especially the drains. More than one Harrier was accused of rectal gaseous warfare, but it was just the swampy ponds under the walkways.

Score: 8/10

The **Letter Box Walk** as told by **Beat-a-root**:

It was very well marked, she thoroughly enjoyed herself tonight except for the driveway - the only hill in Kallangur.

Score: 8/10

"She's a Harriett and she's alright..."

HASH RELIGIOUS ARTICLES

Large Appendage: Cousin It is believed to be the holder of the Large Appendage. **Ten Fingers** was charged as **Cousin It** procured it when it was under the protection of **Ten Fingers**. A beer charge might not be the best incentive to chase it up for return. Perhaps ice next week?

"Has anyone seen his cock..."

Small Appendage: Tail awarded it to **Semen Stains** for her name change.

"Here's to sister Hasher..."

Hash Hecklers let their displeasure be known, **GM Pounda** called on the revolting Hashers to lay down their pitchforks, Triple J's name was changed by her Mother Hash and as such she will now officially be known as **Semen Stains**. It was noted that Northside already has a Semen Stains, but he isn't a regular attendee anymore. (Does anyone know if it is spelled the same?) **GM Pounda** confirmed that a Hasher is not known by different names at different kennels, her one and only name is **Semen Stains**.

Scrubber Shirt: Flasher previously awarded it to **Scrubber** – not present

We pity whomever wears it next as **Scrubber** has had a number of weeks to abuse it.

Brush (Vagina): Pickpocket previously awarded it to **Scrubber** – not present

Abbo Awards from the AGPU

Rabbi was awarded 100 runs – it's only taken him 15 years!

"He is our Rabbi, our only Rabbi, he makes us happy...."

Ryvita wanted to know where her silver mug is as she's done 50,000,000 runs. **GM Pounda** told her it's like Christmas, it's coming.

Rabbi was invited to stay in the circle as a **RETURNEE** and **Abbo** joined him, along with **Rabbi's** partner, the lovely **Raw Liver**. **Overproof** was here tonight too but it was decided that he comes every couple of weeks so can't be included – **Heartstarter** thought that was an exaggeration as he only comes three times a year that she knows of.

"Oh where oh where oh was you last week...."

Wrong Way, Christopher Cum Semen and **Tail** were also given their **AGPU Awards**:

Tail: Observation Skills Award

On Tiny Cemen-T Balls' run commented "lot's of trains around here" - he lives opposite the station.

Wrong Way: Hand Job of the Year Award

Carrying a manequin's hand around at Kimasutra's run.

Christopher Cum Semen: Worst Joke of the Year

For telling a very long tale about a misadventure in Cuba, nobody waited for the punchline, they gave him a beer and told him to shut up. (It was to do with a street corner in Cuba, a lost Aussie Harriett, a lascivious local and 5 pesos.)

"If I had the wings of an eagle..."

CHARGES:

Fig Jam called **Ryvita** and **Vampire** into the circle and asked who could tell them apart? **Semen Stains** was charged with calling **Vampire** the wrong name earlier in the evening. **Semen Stains** was disappointed with her charge because it was small and mostly head (please someone who can pour a beer do the charges next week).

"Take it in your tits Mrs Murphy, I wish I could afford you a crown..."

Semen Stains charged **Sherbet** for not only being an absolute bloody champion but also for bragging that she hasn't

been charged at Northside for a very long time. A charge is well overdue.
"She's the Hash woman who wears the highheels..."

Fig Jam said that at Port Moresby Hash the number one rule is no whingeing but we had a whinger on the run tonight. A Hasher was heard to complain that now he has Hash shirts, he no longer gets any drinks. **Pickpocket** was called to account.

"He wanks his crank in the morning..."

GM Pounda asked **Pickpocket** to stay in the circle as the other night, while watching tv with his beloved **Beat-a-root**, he received a picture from **Pickpocket** that was very undesirable to say the least. **Overproof** asked it if was selfie? **GM Pounda** doesn't know where **Pickpocket** got the picture from, but he's to keep them coming.

"Masturbation, he loves masturbation..."

Christopher Cum Semen charged **Semen Stains** for no Hash footwear, she is wearing thongs in the circle. **GM Pounda** reversed the charge because she was wearing shoes on the run. But as he's driving, **Semen Stains** had to take the charge anyway.

"He's got a skeeter on his peeter..."

Hair Raiser Smooth Ride was called forward, next week's run is **Flower's** run at Kenna Street, top of John Goss Park, Chermside West.
