## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### A MIGHTY, MEATY DELIGHT – THE MEAL NOT THE MEN.

The Boston Marrathon used to reward the winner with a laurel wreath and a bowl of beef stew. We were all winners tonight.

The evening started like a highschool social dance, the lasses headed straight for the safety of the well-lit shelter shed and the lads hung about in the dark carpark. What were they up to? Smoking, drinking and probably checking if **Pickpocket** had anymore electronic entertainment like last week's little number.

An afternoon of rain mean that this evening's Hare-ett **Flower** had to reset portions of the trail that were set in chalk, but her newly made flour stamper did the trick and the last 50km of tiny but perfect arrows, stayed throughout the tempest. She had then raced home to fetch the dinner. At 6.30pm precisely our **Flower**, looking surprisingly like **Sherbet**, directed runners and walkers off down the hill and away.

The runners returned beaten only by the beer-minders **Calendar Girl** and **Beat-a-root** who did a fine job and only sampled a few. The **Letterbox Walkers** perpetuated the myth of there being such a thing. **Boxy** appeared through the gloom, followed by **Sherbet** and the rest of the walkers.

**Acting GM Chunda** called the circle, the power went to his head as he demanded all hats off in the circle, beanies too and even poor follicle-challenged **Flasher** had to remove his shaggy red nylon toupe. Harsh Hash behaviour but it made us all shut up and pay attention.

The **Run Report** Part 1 (Part 2 when **Flower** returns) as told by **A/GM Chunda**:

Good run.

**Score: to be scored later**

The **Walk Report** as told by **Smooth Ride**:

**Smooth Ride** was distracted as she was following **Too and From** and preferred that view to what was around her.

She enjoyed it.

**Score: 5/10**

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage: Cousin It** is rumoured to still be in possession, he must be a bit sore by now and should give someone else a turn.

**Small Appendage: Semen Stains** awarded it to **Sherbet** for impersonating **Flower** at the beginning of the run.

"She's a Harriett and she's alright..."

**Scrubber Shirt: Flasher** previously awarded it to **Scrubber** – not present

We pity whomever wears it next as **Scrubber** has had a number of weeks to abuse it. It will stand up by itself.

**Brush (Vagina): Pickpocket** previously awarded it to **Scrubber** – not present

#### **CHARGES:**

**Boxy** charged **Sherbet** for getting him lost. Reverse charge to **Boxy** for following **Sherbet**.

"He's stupid...."

**Beat-a-root** charged **Sherbet** for getting lost and being chased by wildlife. **A/GM Chunda** said she's always lost so we'll charge for the wildlife only and he called for a wallaby song. **Fig Jam** happily obliged especially after the game on Friday night...

"Can you hear the Kiwis sing?"

I can't hear a fucking thing.

Drink it down, down, down."

**A/GM Chunda** charged **Pickpocket** and **Flasher, Pickpocket** for having a failed torch and nearly running into the bridge and almost pushing **A/GM Chunda** off the bridge. **Flasher** for having the brightest light in the world which lead him astray because he thought **Flasher** was straight ahead - but the path was a zig-zag and **Flasher** was way ahead. Short story: **Flasher** for being bright and **Pickpocket** for being a dumb prick.

"They are Hashers through and through..."

**Flasher** charged **Simpleton** because he used to be a lead runner but is now puffing and panting after two hills and only walking 10 paces to do a check. He must be exhausting himself some other way.

"He wanks his crank in the morning..."

**Cheecake** charged **A/GM Chunda** with a charge from our **GM Pounda** in absentia. Happy 53<sup>rd</sup> birthday to **Chunda**.

"Hashy birthday..."

**Pickpocket** charged **To and From** for talking to the **ex- GM Shredder** about getting the circle started without **Flower**, thinking he was our current **GM Pounda**. Poor excuse was that it's a well-known fact that even their mothers get them mixed up.

"He's stupid..."

### NEXT WEEK'S RUN #2027

**Fig Jam** has promised virgin territory next week, it's so new he couldn't remember the address, it's somewhere around Nudgee, Banyo, Nunda.

He has since provided the address via email to all:

The address for my run is Unit 2, 32 Allworth street Northgate.

It's a big long shed on the north side of the street

GPS coordinates -27.395567, 153.072463

**Fig Jam** has been challenged with the impossible task of bettering tonight's trail and food, he has the benefit of doing a damn-fine job of the booze, but tonight's run will be a difficult one to beat.

### The Run Report Part 2

**Flower** returned from her home duties and **A/GM Chunda** did the run report himself, just because he could. He gave the run report 100,000 out of 100,000. It was very well marked, the only problem was that there were no regroupings but the Hare-ett thought the checks would be good enough for that. It was agreed they were and she was let off. The arrows around the dog doody were awesome, a lovely little circle. **Boxy** asked if it was really from a dog or was it hers? **A/GM Chunda** called him out to the circle for casting aspersions on **Flower's** bowels. The doody was quite small, **Flower** said she could do better than that, she could sink the Bismark with her depthchargers.

**A/GM Chunda** said it was the best run he's been on this year, well done **Flower**.

**SCORE: 100,000/100,000**

"Little arrows...."

*Thank you Flower for a nice bit of shiggy, a portion of up-and-down, frivolous flatness and a mighty fine stew!*

**PHOTOS ON THE LAST PAGE.....**
