HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2027 **DATE:** 15/05/2017 **HARE:** Fig Jam **LOCATION:** A shed near some virgins in Northgate

**Classic curves, smooth lines, the promise of a thrilling ride, reminded us all of our youth...
and that was just the cars!**

The Hare emailed GPS coordinates for this week's run and promised virgin territory, is there really such a thing in Northgate? 28 hopeful Hashers turned up but no virgins were found – although the classic virgin destroyer, the Sandman, was on a fitting pedestal for all to admire and wax lyrically about purple velour interiors, late night parking, getting the girl home before her father woke up in the morning. Memories of a time when the Harriets were willing and the Hashers were able.

When all had availed themselves of the tradies toilet in the back corner of the shed, and drank half the esky dry the Hare **Fig Jam** called the crowd to the footpath. **Fig Jam** muttered something about the rain washing away the trail, toilet paper and blah blah and we set off. **Fig Jam** must have used up all his chalk when setting the Runner's Trail, the Walkers only got the leftovers. But it didn't matter, the Walk was so short that they barely lost sight of the shed so almost none were very lost and most were back by 7pm. The Run was a decent length with a fine bit of bush, as rightly expected of **Fig Jam**. The run was mostly well marked except where it wasn't marked at all - but the beer was cold again this week! Champion.

GM Pounda called the circle and summoned the Hare **Fig Jam**. Before any scores were awarded, **RA Chunda** reminded the gathering that last week, at **Flower's Run**, he gave **Fig Jam** a challenge to beat the run and beat the grub. He was awarded one point because he's a damn fine Boozemaster. However...

-1 point: the rice had to be thrown out and more cooked by **Beet-a-Root**

-2 points: not enough regroups to keep the fast and slow runners together

The **Run Report** as told by **Thunderbox**:

Started really well with some bush but then was boring running in a straight line through industrial sheds.

(It should be noted that **Thunderbox** was suffering from shagger's back, something about picking up twins, so he was not in the best of moods.)

Score: -5 points/10,000,000

The **Walk Report** as told by **Flower**:

It was very nice but a little bit short.

Score: -6/10,000,000

The **Security Report** as told by **Mammary Stick**:

It was very short – which is how she likes it.

Score: Still -6/10,000,000

The **Letter-Block Report** as told by **Beat-a-Root**:

It was very refreshing, one point.

Score: -5/10,000,000

"Shitty trail..."

HASH RELIGIOUS ARTICLES

Large Appendage: Cousin It is rumoured to still be in possession, **SIR BOXY** will contact Cousin It to see if he can still walk and return it to the circle.

Pickpocket was charged as **Cousin It's** proxy because **Ten Fingers** isn't here to take it.

And because **Pickpocket** is a Manly supporter, **Thunderbox** very kindly gave him a packet of **Manly** stickers, from the 50 cents bargain bin at Coles.

"He's the meanest..."

Small Appendage: Sherbet awarded it to **Too and From** not a charge from the run, but because he gave everyone a hard time for not going to Bike Hash because it was Mother's Day – then he didn't show either!

"It isn't long and it isn't thick..."

Scrubber Shirt: Flasher previously awarded it to **Scrubber** – not present

It will truly stink by now and he will have to wear it at Hash, but after the goats in Tassie that won't bother him.

Brush (Vagina): Pickpocket previously awarded it to **Scrubber** – not present. **GM Pounda** has spoken to **Scrubber** and he has a job cooking at the Geebung RSL, which is now off the list for Hash venues. He wants to get off on Mondays and apparently that's up to his boss.

CHARGES:

Sir Boxy charged **Fidel** for spilling beer on the runsheet.

"He ought to be publicly pissed on..."

Fakarwee charged **Fig Jam** for losing his horn at the 21st birthday run for Beachmere Occassional... it's since been to Bundaberg Hash, Gladstone Hash, Rockhampton Hash, and was salvaged at Yeppoon Hash. **B1** lost it so **Fig Jam** has been withholding pocket money from the lad as a lesson, **B1** has threatened revenge. **GM Chunda** said we should be careful, it's our kids who choose our retirement home, but **Fig Jam** has a younger wife, she'll do that. Probably next week.

"Has anyone seen his cock..."

Kuntry Gal charged **Semen Stains** and **Fakarwee** because **Semen Stains** bought a shirt tonight and asked **Kuntry Girl** to please put “**Semen Stains**” on her shirt – but **Fakarwee** isn’t allowed to do it.

“If I had the wings of an eagle...”

Ned charged the Hare **Fig Jam** for a phantom map, **Ned** was looking for a nice route, paper was blank. **Fig Jam’s** excuse – he’s too scared of **Mammary Stick** to show **Ned** any sort of roots.

Reverse Charge because **Fig Jam** had chalked “Ned this way” on a false trail and **Ned** fell for it.

“How dumb are these Hasher’s in the circle...”

GM Pounda called out **Thunderbox** for a charge, for careless Hashing. He left his personalised stubby holder at **Simpleton’s** run.

“He’s stupid, he’s stupid...”

Boxy called out **Spotty** for not wearing Hash attire. **GM Pounda** said **G Spot** could have one for doing the whole run.

“Last night he stayed at home and masturbated...”

GM Pounda called out **Wet Spot** for technology in the circle, and **Vampire** for being forgetful last week.

“These are the women who wear the Hash shoes...”

Returns:

Fakarwee and **Kuntry Gal** have been away for four weeks; **Ned** was asked how long it’s been since **Mammary Stick’s** come? Apparently she came at **Simpleton’s** run.

“Oh where, oh where, oh was you last week....”

ANNOUNCEMENTS

Vampire recently, and quietly, celebrated her birthday.

“Hashy Birthday to you...”

Cheesy’s Challenge soon, just a gentle cycle off somewhere nearby without any hills, 25th June, stay tuned for more details.

Our **GM Pounda** reminded all that if the holder of the plates isn’t able to come to the next run, please call a committee member to arrange delivery/collection, contact details on page 1 of every week’s Hash Trash.

NEXT WEEK’S RUN #2028
