HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2028 **DATE:** 22/05/2017 **HARE:** Chunda **LOCATION:** The wilds of Kallangur

Chunda's Checks Challenge.

Plenty of re-gropes this week, around one of the Northside's favourite parking spots, Cuddle-up Kurwongbah Lake.

GPS signals filled the airways this week as nobody could remember where **RA Chunda** lives. It was worth the packed lunch and a camel ride to Kallangur, for the warm welcome of his gorgeous dogs. The runners, walkers and letterboxers fortified their loins with a brief prelube (only one) and we set off into the dark. The Hare stuck with the hapless wanderers and only sent them off in the wrong directions only once or twice, or fifty times, ensuring most arrived back around the same time (except of course the LBs who kept the dogs company).

GM Pounda called the circle and summoned the Hare **RA Chunda** to leave his sausage alone and get in the circle. **Vampire** offered to handle his sausage while he drank. She also watched the steak and onions.

The **Run Report** as told by **Cheesecake**:

Best run that **RA Chunda** has set in about 4 ½ years. Lots of false trails, kept the runners and walkers together, an excellent run.

Score: 10 points/10,000

The **Walk Report** as told by **Kuntree Girl**:

Very good walk, really enjoyed it. **Fakarwee** agreed saying the first 25km were great the second 25km were a bit hard to take.

Score: 2/1,000,000

The **Letter-Box Report** as told by **Smooth Ride**:

We had a record number of 5 LBs tonight – **Mammary Stick** is recruiting, they're coming thick and fast she says.

Killer was coerced into joining them tonight, to look after the ladies.

Smooth Ride found the walk very challenging, had to look for the arrows.

"Bullshit, bullshit..."

Score: 10/10

Total Score: 22/1,010,002

"We're glad you finally set a run, you're always f'n bitchin..."

HASH RELIGIOUS ARTICLES

Large Appendage: Boxy retrieved the Big Prick from **Cousin It** and **GM Pounda** suggested it needed measuring to see if it was worn down. Awarded to **Scrubber** for wanting a ride and making **Boxy** come late. (Mrs Boxy aka **Shitsue**, would say it makes a nice change from coming early.)

"Has anyone seen his cock..."

Small Appendage: Too and From has the Little Prick, not present.

Scrubber Shirt: Scrubber chiselled the shirt off his bedroom wall and awarded it to **Mammary Stick** for talking about the LBs coming thick and fast but she welcomed **Scrubber** back from the run with not a drop of sweat on her. Glamour in the circle. Every Harriett is grateful as we know that **Mammary Stick** will wash it!! (She may need to change the water a few times.)

"She's the woman who wears the hash shoes..."

"Why are we waiting..."

"Suck, swallow, breath! Suck, swallow, breath!"

Brush (Vagina): Scrubber awarded it to **RA Chunda** for whinging so much on the run that he must have sand in his lady bits. In fairness he was herding cats, appropriately awarded.

"Last night he stayed at home and masturbated..."

CHARGES:

Pickpocket was awarded his mug for 200 runs – but only three in a Hash shirt. And **Tail** for 50 runs, all in Hash attire.

"They are our Hashers, our only Hashers...."

Fig Jam charged **Abbo** for wanting to beat the GM home while he's on restricted duties and not up to running.

"He's the meanest..."

Kuntree Girl charged **Shredder** for exciting the Harriett's by running without his shirt, **Ryvita** asked for a repeat performance but he was suddenly shy.

"Take it off, take it off..."

But when one **Pounda** drinks, all **Poundas** drink.

"Why were they born so beautiful..."

GM Pounda charged **Cheese Cake** for being an Over Achieving Bastard and riding 300km in 4 days for Rural Mental Health research. **Semen Stains** said that explained why he keeps backing up against her hand where she's resting it on the edge of the table, he needs a massage and **Heartstarter** isn't here.

"He's a Hasher, he's true blue..."

VISITOR:

Master Farter of Cairns Hash, did a Tuff Mudda on the weekend so thought he'd join us for a relaxing stroll through the wilderness. **RA Chunda** suggested he might like to go and do it again. Over achieving bastard!

"He's stupid, he's stupid..."

RETURNEES:

Scrubber and the lovely **Emma**, it's her third run but she's un-named as yet.
"Oh where oh where oh was you last week..."
