HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Your committee are located throughout the northern suburbs from Beachmere to Everton Hills to Windsor and many suburbs in-between. We are more than happy to take delivery of, or collect, the plates and cutlery if the holder can't make it to the next run.

RUN NO: 2030 **DATE:** 05/06/2017 **HARE:** Pounda & Beat-a-root
LOCATION: Murrumba Downs

Murrumba Downs, mostly ups, not downs and at the top of every steep hill, two little letters:

FT

You'd think we'd see the pattern after the first six or so....

A bedraggled group of hobos descended upon Casa Root, oh hang on, it's just the Hash in their elastic wasted eating pants! Beat-a-root puts on such a good feast that standard running attire would not accommodate their bulging waist lines. There goes the diet again! For a suburb rumoured to be "downs" there sure were a lot of ups! Great run, shiggy and a water crossing, scenic views of the city (30km away so those hills were as high as we thought) and a nice trundle along the river bank. Around 7km of Murrumba Downs we haven't seen before.

GM Pounda called the circle and summoned the Hares – himself and **Beat-a-root**

The **Run Report** as told by **Flasher**:

Flasher was called because he was stupid enough to run every single false trail – he found 10. **GM Pounda** said well done, he only set 8.

Score: 1/1,000,000

The **Walk Report** as told by **Flower**:

Excellent walk, found the regroup, stopped to look at the view – **GM Pounda** said the regroup was for the runners, so was the view, they'd wandered across to the other trail.

Score: 2.5/1,000,000

The **Letter-Box Report** as told by **Smooth Ride & Mammary**:

The L-B took a long walk tonight, 21 minutes, in honour of **GM Pounda's** 60th birthday run.

Score: 3.5/1,000,000

Total Score: 7/3,000,000

"Here's to the rooster who shags his hen..."

HASH RELIGIOUS ARTICLES

Large Appendage: Flasher awarded it to **Semen Stains** for thinking RG means Re Grope – she was wearing the Scrubber Shirt on the run and at each regroup rubbed it against the sweatiest hashers to stink it up.

"Here's to the woman who wears the high heels..."

GM Pounda noted that **Semen Stains** was currently holding three of the awards, temporarily.

Small Appendage: Semen Stains awarded it to **Flasher** for stopping suddenly at the "stop and look at the view" chalked on the pavement, causing her to run up his backside. **GM Pounda** asked if **Flasher's** tail-lights were out or was she tail-gaiting?

"He wanks his crank in the morning..."

Scrubber Shirt: Semen Stains awarded it to **Heartstarter** for being the only other Harriett who sweated almost as much as she did on the run.

"She's a Harriett and she's alright..."

Brush (Vagina): Emma has it, not here tonight.

Scrubber called out to take a beer as her proxy.

"There's a skeeter on his peeter..."

CHARGES:

Fakarwee charged **Semen Stains** with a half charge for wearing half a beanie – she has hair so doesn't need a full one.

"If I had the wings of an eagle..."

FIGJAM thought the scrubber shirt had mystical powers because at the end of the run, a fellow Hasher ran up to **Semen Stains** and rubbed his face all over her arse. **GM Pounda** saw him do it on the run too, **Christopher Cum Semen** took his charge.

"He ought to be publicly pissed on...."

Kuntree Girl charged **Flower** and **Sherbert** for not stopping at a regroup, they said they didn't see it.

Song by **FIGJAM**

"They're stupid, they're stupid..."

GM Pounda called **FIGJAM** back out for 100 runs.

"He is our **FIGJAM**, our only **FIGJAM**...."

G Spot charged **GM Pounda** with having substandard wood. **GM Pounda** blamed **Beat-a-root** for any deficiencies with his wood.

"Last night they stayed at home and masturbated..."

GM Pounda asked the kennel is they thought that **FIGJAM** was doing a good job of the booze? (Yes! We all do!!)

But our **GM Pounda** now has an even higher opinion of **FIGJAM** after a recent trip to Dan Murphy's where he found a bottled beer called FIGJAM. If he's using his Hash Boozemaster experience to build a business, Hash needs a percentage of any profits made. See photo at end of Trash.

“Well it isn’t long and it isn’t thick...”

GM Pounda charged **Mammary** for accusing him of being 60 or 65, either will do. Charged for defamation of character. **Mammary** said it reflected his level of maturity. Crawling!

“There was a Harriett and she was dumb...”

Kuntree Girl and **Tail** called in for their birthdays, 21 again, and again.

Beat-a-root brought a chocolate cake with a candle for each of the three to blow out. Whomever had the biggest piece also had the most spit.

“Hashy birthday to you...”

G Spot has started cleaning out his shed, ready for the big move and has found a Hash award (little blue shoe) for the most runs in a committee year. Awarded to **GM Pounda** as **Sherbert** has the female version (a pink shoe).

Visitor:

Graham (or is it Graeme or Grahame?) not able to run tonight, arm in a sling, he launched himself off his pushbike and crash tackled the earth. He’s from here, **GM Pounda** made him cum. For all the single Harrietts out there, Graham is single – **Ryvita** asked if he likes older women? He gave her a wink.

“Has anybody seen his cock...”

Returnees:

Shit-su welcome back

“Here’s to sister Hasher...”
