HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Your committee are located throughout the northern suburbs from Beachmere to Everton Hills to Windsor and many suburbs in-between. We are more than happy to take delivery of, or collect, the plates and cutlery if the holder can't make it to the next run.

RUN NO: 2032 **DATE:** 19/06/2017 **HARES:** Scrubber & Emma **LOCATION:** Geebung

We sought them near, we sought them far, little arrows, little arrows, where for art thou?

Experienced Hashers will tell you, when the Hare is dawdling at the back of the pack, keep the little darling in your sights. Experienced Hashers also tend to use a bit of chalk, flour or paper, but that's too flippant for our tightwad Scrubber. Our live Hare was almost casseroled for dinner, for his lack of marks and care. He needed the flour for his pancakes; the paper for the loo and he hadn't seen gyprock in a skip for weeks. But in true Hash style, not a single runner, walker or letterboxer was lost, guided by the stars they all found their way home.

GM Pounda called the circle and summoned the **Hares Scrubber** and **Emma**.

The **Run Report** as told by **Christopher Cum Semen**:

On the real run, not the wanker's run, there were more arrows than at Custer's last stand; shiggy; regroup; a real Hasher's run.

Score: 9/10

The **Second Run Report** as told by **Shredder**, because **GM Pounda** wasn't happy with a 9/10 score. It was shithouse, nobody knew where they were going.

Score: 9.5/1000

The **Walk Report** as told by **Flower & Sherbert**:

There was dissent amongst the Walkers as to how many actually did the walk. **Scrubber** won't bother setting a walk trail again – apparently, according to **Flower**, he didn't set one this week either! **Sherbert** reported that **Scrubber** set an arrow and chalked "1km that way". **Flower** didn't realise that gyprock was so expensive that **Scrubber** couldn't afford to put more of it on the ground.

Score: 0/0

The **Letter-Box Report** as told by **To and From**:

To and From disputed that he did the Letterbox because there were a large number of people who were back before him.

Score: 1/10,000,000

GM Pounda awarded **Scrubber** a bag of gyprock, as an encouragement to use just a bit next time.

Total Score: 19.5/10,000,1010

"We had joy, we had fun..."

HASH RELIGIOUS ARTICLES

Large Appendage: **Semen Stains** awarded it to **Emma** to plug her flatulent bottom.

"She's a Harriett and she's alright..."

Small Appendage: **Flasher** withdrew it from his trousers where he'd been warming it and awarded it to **Abo** for the most spectacular fall within the shortest (smallest) period of time as we were about 10m from the house when he cartwheeled over a manhole cover in the road.

"There's a skeeter on his peeter whack it off..."

Scrubber Shirt: **Tail** wasn't present, carried over to next time.

Brush (Vagina): **Emma** awarded it to **Semen Stains** for whinging about the run and breathing heavily in her ear. And **Semen Stains** complained when **Boxy** said they were only half way through the run.

"She's the woman who wears the Hash shoes..."

Naming

GM Pounda called **Emma** into the circle, as there comes a time in a young Hasher's life when they are no longer considered a visitor and must be named, but mostly because we're bored with calling her "**Emma**". There were a number of names proposed, some really really nasty, some sedate. She earned the name tonight that was chosen as she's somewhat flatulent on the runs, apparently this is not embarrassing as even the Queen farts. But that's what the corgi's are for. **Acting RA Cheesecake** pronounced that from now on, **Emma** shall be known as **Asshole Dick Fart** (spelling tbc).

"She's a Hasher so they say..."

CHARGES:

GM Pounda called **Figjam**, **Semen Stains** and **Shredder** forward to charge **Abo**. The gathered rated the spectacular fall, **Semen Stains** held up her score of 10/10; **Figjam** a score of 9.5/10 losing 0.5 of a score because he didn't faceplant the bitumen so there was no claret from his nose; **Shredder** he went down like a "pi" which is currently 3.14×3 laughs = 9.42

"If I had the wings of an eagle..."

FigJam called **Scrubber** and **Asshole Dick Fart** to the circle because if she hadn't been named that he would have called her Madam Lash because he found an assortment of metal tools of torture in their bin. They obviously get up to something nasty in this house.

"They ought to be publically pissed on..."

Flower called **Christopher Cum Semen** into the circle and proposed calling him frosty the snowman for putting ice down **Semen Stains'** pants before the run.

"He wanks his crank in the morning..."

Asshole Dick Fart called the Hash Piss **Figjam** into the circle because there were not enough ciders in the Hash Piss. **Figjam** claimed he was wronged because he put 12 ciders in the esky, the Harrietts were thirsty this week.

"What a wank, what a wank..."

Scrubber called **Smooth Ride** into the circle for the continuing saga of her lack of parallel parking ability. She's just a perfectionist, it took her 15 attempts to line up perpen-dick-ular to the footpath.

"She's the meanest..."

"Suck, swallow, breath..."

Visitor:

No visitors this week

Returnees:

Wheelbarrow hasn't been for quite a while so he'll do for a charge.

"Oh where oh where oh was you last week..."

Our **GM Pounda** gave out bags of chalk, he must be hoping for better marked trails than tonight's effort.

NEXT WEEK'S RUN #2033

Boxy's run, Upper Kedron Recreation Reserve, Cemetery Rd, head for the gazebo near the playground.

*Well I'd like to say it was a good run, but then I'd have to give the Vagina Brush back. Great nosh though, a bit of sausage is always appreciated, and **Asshole Dick Fart** (spelling tbc) was, as always, a little ray of sunshine on the run.*

The Evidence

More practice will right **Scrubber** errant ways. Much more practice – anyone willing to give up their run please let him know. Note the thinking faces on our **GM** and **Acting/RA**, what are they up to...?

Our lovely **Miss Emma** thought this was the most embarrassing thing that was going to happen this night...

Scores out of 10 for **Abo's** amazing athleticism

Abo the Olympic gymnast, specialising in the bitumen biting event.

The ladies wondering when they'll have a turn with the large appendage.
