HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	Pounda	0432 031 588	RELIGIOUS ADVISER	Chunda	0403 246 872

Your committee are located throughout the northern suburbs from Beachmere to Everton Hills to Windsor and many suburbs in-between. We are more than happy to take delivery of, or collect, the plates and cutlery if the holder can't make it to the next run.

RUN NO: 2035 **DATE:** 10/07/2017 **HARES:** Shredder & Sharron **LOCATION:** Windsor

A man of experience (none of it recent) and a virgin (born-again) what could possibly go wrong?

The parking was plentiful, the night cool and dry, the eskies were opened and the kennel arrived. Beers were downed, wine was swilled and 6.30pm came and went, we were at risk of a whole-Hash letterbox until **GM Pounda** asked what time the 6.30 run was starting? The Letterboxers, Walkers and three runners gathered at the footpath while the rest of the runners took off at full speed up the street, not waiting for anything so useful as directions. **Shredder** enlightened the patient few and off we set.

GM Pounda called the circle and summoned the Hares **Sharon & Shredder**
 Three runners did the whole run, **Simpleton, Flasher** and **GM Pounda**.

The **Run Report** as told by **Simpleton**:

It was a bit long and a few too many hills, for those who did the whole run, but otherwise for those who actually ran it, it was a good run.

Score: 3/100

The **Walk Report** as told by **Ten Fingers**:

Lots of hills, under the bridge was interesting, a good bit of bush (he likes a bit of bush).

Score: 60/100

The **Letter-Box Report** as told by Hash Security **Smooth Ride**:

It was hard to find a trail between here and next door, enjoyed the stars and the night air but rushed back to watch the bags so everyone else could go on.

Score: ??

Total Score: 63/100

"They outa be publicly pissed on..."

HASH RELIGIOUS ARTICLES

Large Appendage: **Asshole Dick Fart** awarded it to **Ten Fingers** for being a lazy bastard and lying on a couch left beside the road.

"Has anybody seen his cock..."

Small Appendage: **Wrong Way** has it, not present.

Scrubber Shirt: **Tail** has it, not present.

Brush (Vagina): **Flower** left it in her boot and didn't have a recipient in mind so gets to keep it for another week.

"Take it in your hand Mrs Murphy..."

CHARGES:

GM Pounda charged **Asshole Dick Fart** and **Heartstarter** for sitting in the circle – resting their arses on the couch behind them.

"They're the Hash women who wear the Hash shoes..."

Sharon charged **Shredder** (**WARNING some non-expletives interspersed with profanities....**) for being unflattering to the Walkers when they were setting the trail, **Shredder** was heard to say "Fuck the walkers". Then tonight he walked most of the way. Hypocritical. **GM Pounda** reversed the charge because it's a well-known fact that the Runners **fuck the walkers**** all the time and if a man wants to walk up a hill because he's fucked, he fucking-well can. **Ryvita** caught site of **Sharon's** displeased face and said to **Shredder**, I guess a fuck will be out of the question for you later then.

"She's a Harriett and she's alright..."

Shredder charged **Thunderbox** for bitching about the walkers every week and then taking such a short-cutting deviation that he was back at the house before **Shredder**, who'd come back early to get the food on.

"Well it isn't long and it isn't thick..."

Flasher charged **Smooth Ride** because she's told him all about her trip next year, 6 weeks of 40km/day, but she can barely get down the driveway at **Shredder's** place. **Smooth Ride** blamed her peer group for being a bad influence.

"Take it in your tits Mrs Murphy..."

"Why are we waiting..."

"Suck, swallow, breat..."

"Why are we waiting... again"

Wheelbarrow charged **Shredder** for too many arrows too close to the checks and **Ned** for not waiting for the tail runners at the checks.

"Shit onya, shit ony, shit onya..."

Vampire charged **Ryvita** for celebrating 21 years again this week, **Ryvita** claimed she's been without a man for so long now that she's a virgin again, the cobwebs have joined up and stuck it back together again. **GM Pounda** wondered how long that would take to happen, **Semen Stains** thought it would be about two years of marriage.

"Hashy burpday to you..."

FIGJAM charged **Sharon** for offering **Shredder** a special cuddle before the run. Refer earlier charge **. "Here's to sister Hashers..."

Visitor:

Who Hasn't Fucking Paid aka **Hammo** was the GM of Northside for a number of years before moving to Mackay. "Hammersley takes it up the arse..."

Returnees:

Ten Fingers back again, I don't know where he's been but he's pretty happy to be at Hash tonight so it's can't have been very exciting wherever it was. "Where, oh where, oh was you last week..."

ANNOUNCEMENTS

Name of the Week:

Grog Master FIGJAM was a very quiet young lad in 1986, when the GM announced he'd be named **FIGJAM** our Figgy knew what he meant but nobody else did! Fuck I'm Good Just Ask Me was happy with the name. Since then he's done in a liver and a half, both kidneys, both knees trying to keep up with the fast bastards and he's lost his marbles too.

Camping Trip 14 October 2017, Coochin Creek.

If you are planning to go, book your site now, see details on last page of this Trash.

Golf Weekend also late October.

NEXT WEEK'S RUN #2036

Combined Mardi Gras Hash, with Men's Hash and the Harriett's Hash.

Lord Stanley Hotel, 994 Stanley Street East, East Brisbane QLD 4169, Australia

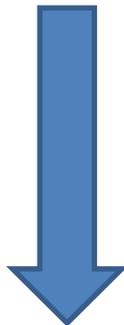

Order your meal and pay for it before the run and it will be ready not long after the circle is over.

Plenty of off street parking available.

Great food, challenging walk, shitty run, what more can you ask for?

Well done Shredder and Shazza!

PHOTOS ON THE LAST 2 PAGES.....

Coochin Creek camping area

Coochin Creek camping area. Photo: Queensland Government.

- [Coochin Creek camping area map and individual camp site details \(PDF, 285K\)](#)—use this detailed information with photos to choose a site that suits your needs and camping style — caravan, campervan, camper trailer or tent.

Features: flat, grassy area beside Coochin Creek, ideal for visitors who enjoy fishing and boating.

Location: on Roys Road, about 3km upstream from the Pumicetone Passage.

Access: the camping area is located on the eastern side of the Bruce Highway with access off Roys Road via Exit 179 Bells Creek interchange. Travelling north, take the Bells Creek exit and turn right, using the bridge to cross the Bruce Highway. Travelling south, turn left at the Bells Creek exit. Turn right into Roys Road and follow this for approximately 4km to the camping area turn off. The camping area can be reached by conventional vehicle.

Number of sites: 21 sites.

Suitable for: tent camping beside your car; walk-in camping; caravans; camper trailers and motorhomes. [Camp sites are numbered \(PDF, 285K\)](#) so visitors can book a site most suitable for their tent, camper trailer, campervan or caravan.

Camp site surface: tent sites have sand surface; van sites have a gravel base—see [Coochin Creek camping area map and individual camp site details \(PDF, 285K\)](#).

Facilities: communal fire rings, water (water provided at the park is unsuitable for drinking) and wheelchair-accessible composting toilets.

Fires: preferably bring a fuel stove. Open fires are only permitted in the fire rings provided. Bring your own clean milled firewood. It is illegal to collect wood from the State forest.

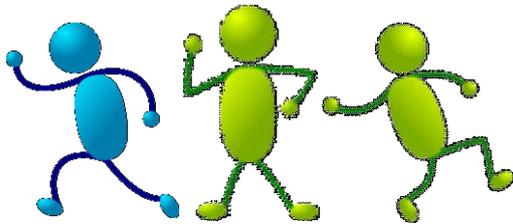

Generator use: not permitted.

Essentials to bring: drinking water (water provided at the park is unsuitable for drinking), fuel stove, clean milled firewood, rubbish bags, insect repellent and sunscreen. Read more about [things to know before you go](#).

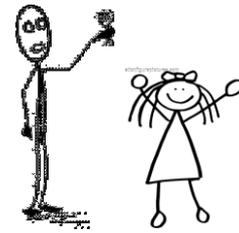

Bookings: [book online](#), [over the counter](#) or [by phone](#).

Mobile phone coverage: poor.

No photos this week, our Hash Flash was at work.
