HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2036 DATE: 17/07/2017 HARE: Mardi Gras Hash LOCATION: Lord Stanley Hotel

We came, we saw, we cleaned up in the raffles! But what did Pickpocket get up to?

The Mardi Gras Hash, Christmas in July, combined Men's Hash and Harrietts Hash and BNH3, not that anyone noticed we were there – until it was time to draw the raffles!!

An easy Trash to write this week, no charges, no returnees, no visitors (except us), no religious items given out, nothing much to say really, except your Scribe had a cold and was assigned key-guarding duties at the bar of the Lord Stanley Hotel. Damn shame. So difficult to watch the pack run off into the cold dark night, from the comfort of a gas heater, with a medicinal rum in hand.

It was so lovely and warm in the beer garden that the heaters, and hot air from fellow incapacitated Hashers, had fogged up the outdoor vinyl blinds, so I could only just barely see that it was perhaps the runners back first, the tinkly bells of the walking Harrietts in Christmas gear could be heard closely following. A picture tells a thousand words and I've run out of them, so the rest of the night is captured in pics below...

NEXT WEEK'S RUN #2037

Ten Fingers run from 57 McNeill Road, Kallangur. A good run for sore knees, bound to be flat!

The Evidence

Is this Hash or an Aussie BBQ?
The Brisbane Hashmen over there for their private bucket.

And the Harriett women way over there. The Harrietts couldn't have been further away from the Hashmen without leaving the carpark.

A sample of the Brisbane men folk.
(Great jacket!)

A sample of our rugged menfolk, kinda explains why we prefer mixed Hash doesn't it ladies.

Our lovely Flower shedding some light on Tinkerbell's naughty boys list – she should know who's on it, she wrote it!

Flower, Ned, Flasher, Boxy, Who Hasn't Fucking Paid, Pickpocket, FIGJAM, Tail, Christopher Cum Semen, Semen Stains, Pounda (see arrow pointing to arm) and the ever saucy Sherbet attempting to attract the attention of the raffle drawing Hasher.

It worked! Our Northside Harrietts have got what it takes to win a cheap bottle of plonk everytime!

Hang on a second, if a flash of shoulder worked for Sherbet, what did Pickpocket flash to get a bottle of Chivas?

And **AGAIN**, yes really, so when he said he was popping back to the car to get his jumper, what was he really up to?

A snap of Radar and his son from earlier in the night, reveals Pickpocket in the background, whispering to someone hidden from view, arranging a secret rendezvous perhaps?

Likelihood that Pickpocket took part in suspicious activity to win booze

- Flashed a shoulder
- Flashed a thigh
- Removed clothing
- We don't want to know
