HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2040 DATE: 14/08/2017 HARE: Redlands H3 LOCATION: Capalaba

COMBINED REDLANDS AND NORTHSIDE HASH HOUSE HARRIERS RUN, HOSTED BY REDLANDS H3

A throng of Northsiders had their Visas stamped at the border, some twice (**FIGJAM**), packed a picnic and headed south east of the city. Google maps delivered us all safely to the meeting place at Capalaba Regional Park where we were warmly welcomed by the Redlands Hashers. Beer for sale before the run and a substantially stocked esky of other options to buy including pre-mixers by the can! Redlands had anticipated a large turnout of Northsiders and we didn't disappoint them, great to see so many of us made it across the river and did our best to empty their buckets. Might explain the joviality of the circle.

An 8.3km run lead us around the suburbs, this kennel is known for it's love of lycra clad endurance sports – Northsiders prefer to reserve a bit of energy for their post-run activities. Beer drinking is hard work apparently. They led us through a bit of shiggy and we had a tad of the old damp-foot at a creek crossing, our **GM Pounda** did us proud and held the fence for the lady walkers to clamber over. A gentleman on the run, that should have been a charge. There were lots of regroupes and 360s kept the pack together. Fabulous run! The walk was about 5km I think, the walkers were all smiling at the end so it must have been a good one too.

GM Pounda gave the run report, **Morning Glory** gave the walk report, both gave a rave review. Lots of trail, nice

bit of shiggy, the Hare stayed with the slow runners and nobody got lost.

CHARGES:

Because it was Redlands Ekka day, showbags were distributed to everyone charged. There were various charges and aspersions cast on characters at Redlands.

From our side...

GM Pounda was charged and as Samford GM **Flower** kept him company, both as visiting GMs.

Semen Stains was charged by **GM Pounda** for her part in lowering population growth.

Flower for competing with Redland's **Hard Nut** for Christmas lights on the run, with her trade-mark flashing strip, not of the tease variety.

FIGJAM charged the Kiwis in the Circle, **Sherbet**, **Under Pressure** and another Redland Hasher whose name was obscured by laughter on the recording. Charged for claiming Pavlova, Lamingtons, Manuka Honey, Pharlap, Bands that are clearly Australian, and because NZ passed a law that doubled their population overnight. They claim that anyone born to a Kiwi, regardless of their country of birth, is now a Kiwi and they've claimed Barnaby Joyce, morons!

Raffles were drawn and **Semen Stains** joined the ranks of other Northside combined Hashes raffle winners, **Sherbet** and **Pickpocket** who've both won prizes at the recent Mardi Gras Hash. She won first prize, a basket of goodies that are not on her diet but **Christopher Cum Semen** will gladly take care of them for her.

NEXT WEEK'S RUN #2041

Combined Hash: Northside & Men's Hash

(Hashmen make sure you wear long pants and tie them firmly at the waist, Harrietts have nothing to fear.)
See you at the Homestead Hotel, 114 Zillmere Road, Boondall

An absolutely bloody fabulous run! Great circle, fun bunch of Hashers, delicious burgers for dinner and we're looking forward to hosting in return in September.

The Evidence

Fabulous parklands setting for the run.

Unfortunately we remembered the group shot after some had already left, desperate to get home to whatever reality tv was on that night. Unless it was Dating Naked, they really have no excuse!

When one GM drinks, all GMs drink

That's not sweat, Pounda glistening with beer after his mighty fine attempt at drinking from a cup held 1 metre away from his mouth.

Smooth Ride you managed to avoid the camera each time!

Birthday girl!
