## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2044      DATE: 11/09/2017    HARE: Pounda / Beat-a-Root    LOCATION: Murrumba Downs

### The 2<sup>nd</sup> leg of the Brisbane Northside/Redlands Reciprocal Run.

A monstrous pack of 34 hashers (23 Northside, 8 Redlands, 2 Bribie and 1 Trinity) gathered at Chateau de Pounda / Casa de Beat-a-Root at Murrumba Downs for the 2<sup>nd</sup> leg of the Brisbane Northside / Redlands reciprocal run, and because the word got out that **Beat-a-Root** was cooking up a storm again. At 6.30pm, instructions were given by the **GM** and the pack was let loose on the fine folk of Murrumba Downs.

A shortened run of 6.0km led the runners around the gentle slopes of Murrumba Downs with a bit of scenery along the riverside as well. There were a few regroupings, checks and a couple of false trails as well. There was even a drink stop thrown in superbly organised and run by **Sherbet**. I don't know what **Sherbet** put in the barrel at the drink stop but it surely had an effect on the runners, as shortly after they were running their own false trails that didn't even exist. The Hare had to call them back a couple of times to get them back on trail. Eventually all made it back to the bucket safely.

Stand in Hash Cash **To & From** called the run count, before the **GM** called the circle and summoned the hares **Pounda and Beat-a-Root** to face the music. **Sherbet** was called into the fray as well for the drink stop.

The **Run Report** as told by **Under Pressure**:

One of our Redlands visitors **Under Pressure** was called to give the run report and said that there were lots and lots of arrows, well-marked, lots of two-way checks, three-way checks, lots of downhill and uphill and river views to boot. An excellent run and a great drink stop along the way. A fantastic job.

Score: 8/10 (**Under Pressure** is welcome back anytime)

The **Walk Report** as told by **Lady Grey**:

Another of our Redlands visitors **Lady Grey** was called upon to give the walk report and said that it was very scenic but the cane toads were a bit too much. She was reminded that she was north of the border for tonight's run. Well-marked and the drink stop was fantastic.

Score: 9/10 (**Lady Grey** is welcome back anytime as well)

The **Letterbox Walk Report** as told by **Wet Spot**:

**Wet Spot** said that it was excellent and that they didn't get lost. Bit hard to get lost when you only go to the letterbox and back. When asked for a score, **Wet Spot** said that seen as how **Pounda** was one of the hare's, that she better mark it down a bit and gave it an appropriate score.

Score: 8/10

The **Security Report**: - No **Security** report was given tonight.

**Hands down the best run of the year with a total score of 25/30.**

"S.H.I.T.T.Y. T.R.A.I.L, shitty trail, shitty trail...."

All **GM's** present, **Pounda** and **Private Parts** (Redlands RA) were then called forward for a drink to commemorate the night.

"Last night they stayed at home and masturbated...."

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage**: This was missing in action as **Pickpocket** has it. He was still at home crying after **Manly** lost on the weekend and got knocked out of the NRL finals.

**Small Appendage**: This was produced by **To & From** and awarded to **Wheelbarrow**. He said that you can always tell when the Hash Golf Day is approaching because **Wheelbarrow** comes crawling out from the woodwork.

"Has anybody seen his cock, his big Rhode Island Red ...."

**Scrubber Shirt**: This was offered up by the **GM** and awarded to **Calendar Girl** for giving the **GM** a lift down to the car dealership to pick up **Beat-a-Root's** car and scaring the absolute shit out of him. The **GM** feared for his life and that was before they got out of the first street. The **GM** has offered to take **Calendar Girl** on some driving lessons so she doesn't scare anyone else.

"She's the woman who wears the hash shoes...."

**Brush (Vagina)**: **Flasher** had this and awarded it to **Heart Starter** for over achieving and dashing up the hills. He couldn't keep up with her.

"Take it in your tits Mrs Murphy...."

**Paddle (Penis Sizer – this is a new award)**: **Sherbet** had this and awarded it to **Ned** for trying to pour a glass of wine with the lid still on the wine bottle.

"There's a skeeter on his peeter wack it off...."

## Milestone Runs:

**Beat-a-Root** – 50 runs

**Wet Spot** – 250 runs

“Here’s to sister hashers, sister hashers, sister hashers....”

**Returnees: Rabbi, Wheelbarrow, Shreddar, Night Owl, G-Spot, Wet Spot**

“Oh where oh where oh where was you last week....”

**Visitors:** Redlands Hash x 8, Bribie Hash x 2 and Trinity Hash x 1

## CHARGES:

**FIGJAM** charged **Shreddar** for “snow dropping”. **Shreddar** was caught peaking over someone’s fence. When asked what he was looking for, he said that he was just looking as it was a very oblong block. Likely excuse.

And when one **Shreddar/Pounda** drinks, all **Pounda/Shreddar** drinks.

“Oh it isn’t long and it isn’t thick....”

**Parasite** from Redlands charged **Wonder Bra** and **Private Parts**, also from Redlands, for not being able to communicate properly about a designated pick up point and both going to different gates of the same retirement home. Maybe they should have booked in instead.

“They’re stupid, they’re stupid....”

**Ryvita** tried to charge **Kimasutra** for having a 70<sup>th</sup> birthday this week. Apparently, Ferrari celebrated their 70<sup>th</sup> birthday this week and **Kimasutra** shares the same name. After getting over the randomness of this, the **GM** made them both have a drink.

“They are Harriette’s and they’re alright....”

**Rabbi** tried to charge the **Assistant RA Cheese Cake**, for all the froth in the plastic drinking cups, but the **RA** reversed this charge for complaining.

“He wanks his crank in the morning...”
