HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2045 DATE: 18/09/2017 HARE: Killer LOCATION: Everton Hills

One hell of a Killer run.

A rather small pack of 13 hashers gathered at **Killers** house at Everton Hills for what can only be described as "one hell of a Killer run". Pardon the pun but I couldn't help myself. At 6.31pm, the **GM** had to pry **Killer** from his indepth conversation to get the show on the road. Instructions were given and the pack was let loose.

With what started out as 6 runners, 5 walkers and 2 letterbox's, was soon reduced to just 3 brave runners as half the group decided to join the walkers (more on that later). A run of what I think was about 7.0km led the runners around what started out to be a nice gentle run until the hills kicked in and then it was a case of up one hill and down another, and this seemed to be a re-occurring theme. Eventually all made it back to the bucket safely.

Stand in Hash Cash **To & From** called the run count, before the **GM** called the circle and summoned the hare **Killer** to face the music.

The **Run Report** as told by **Shreddar**:

Shreddar was called to give the run report and said that there was no fucking chalk and if there was any it was all going the wrong way or crossed out all over the place, didn't know shit from clay and had heaps of hills.

Score: .3/1,000

The **Walk Report** as told by **Ten Fingers**:

Ten Fingers was called upon to give the walk report and said that there was plenty of hills and that the chalk marks were pretty piss poor (looks like **Ten Fingers** has been giving **Killer** some pointers) and towards the end of the trail just seemed to fizzle out and home was still a couple of miles away.

Score: 10/10,000,000

The **Letterbox Walk Report** as told by **Sherbet**:

Sherbet said that it was wonderful and that she went around the block with a chaperone. Surprise, surprise it was **Killer**.

Score: 7/1,000

The **Security Report**: - No **Security** report was given tonight.

Total score of 17.3/10,002,000.

"S.H.I.T.T.Y. T.R.A.I.L, shitty trail, shitty trail...."

HASH RELIGIOUS ARTICLES

Large Appendage: Pickpocket said "oh I got that" and strutted off to retrieve it from his bag. He awarded it to **Flower** for saying "oh you have a hash shirt on for a change". He has been wearing a hash shirt for about 8 months now.

"Here's to **Flower**, she's true blue...."

Small Appendage: This was missing in action with **Wheelbarrow**.

Scrubber Shirt: This was missing in action with **Calendar Girl**.

Brush (Vagina): This was missing in action with **Heart Starter**.

Paddle (Penis Sizer – this is a new award): This was missing in action with **Ned**.

CHARGES:

Sherbet charged **Thunder Box** for being a 'FAT ARSE BASTARD'. He broke **Killer's** fold up chair when getting out of it. (see photos)

"His one skin hangs down to his two skin...."

Pickpocket charged **Thunder Box**, **FIGJAM** and **Kimasutra** for short cutting and joining the walkers very early on in the run, which left three elite athletes in **Shreddar**, **Pickpocket** and **Pounda** to complete the run.

"Piss on ya, piss on ya, piss on ya...."

Thunder Box charged **Killer** for taking out half a state forest at the boat ramp with the mast of his yacht when he went up to Noosa. **Killer** thought he would put the mast up while in the carpark because he reckoned that it would be easier to do than when it was in the water. He misjudged the height of the trees overhanging the carpark and decided to do some tree lopping with the mast of the boat.

“He’s stupid, he’s stupid, he’s really fucking dumb....”

Ten Fingers tried to charge **Vampire** for not wanting to pick him up at 5.30pm. **Vampire** said that she would pick him up at 5.40pm instead. What’s 10 mins between friends.

This was reversed. You need to work on this charging thing **Ten Fingers**.

“He wanks his crank in the morning...”

FIGJAM charged **Night Owl** for being a blonde. Something about a mix up between an electric jigsaw and some jigsaw pieces that **Killer** had in a box.

“There was a Harriette and she was blonde and bimbo was her name....”

The **GM** charged **Ten Fingers** for taking an hour to get a beer from the esky. It’s not that hard **Ten Fingers**. (Open the lid of the esky, take beer out, close lid of esky, take bottle top off, drink beer, repeat.)

“He’s the meanest, he sucks a horse’s penis....”
