## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2063 DATE: 8/1/2018 HARE: Boxy LOCATION: Arana Hills

### Boxy to the rescue.

A rather large group of hashers gathered at **Boxy's** after he came to the rescue when the scheduled Hare fell sick. Get well soon **Wrong Way**. The stand in Hash Trash went on the walk tonight due to medical reasons and we were set off on a trail that seemed to follow the runners. Although I am fairly sure that the runners were sent on a few extra checks and false trails as the walk was a nice gentle 4.6km.

After waiting for an eternity for **Cousin It** to sort himself out and pay his fee for the night, **Hash Cash Boxy** called the run count, before the **GM** called the circle and summoned the hare **Boxy** to face the music.

The **Run Report** as told by **Abo**:

**Abo** said that **Boxy** needs an up up for this run as he clearly gets his ups and downs mixed up. Before the run **Boxy** said that it was 90% down and only 10% up. But he was so wrong as it was the other way around. And this is the man that is handling our finances at the moment. Oh, we are very much in trouble.

Score: 5/1,000

**Boxy** had a charge for **Smooth Ride** and **Flower**. When **Boxy** got home from work, **Smooth Ride** was going down and **Flower** was loosening her nuts. It appeared that **Smooth Ride** had a flat tyre on her car. **Boxy** went over and offered to give her a full service as well but she duly declined.

“Do your tits swing low....”

**Cousin It** charged **Boxy** for wearing new shoes to Hash.

“Here’s to this prick, he’s true blue....”

The **GM** then had a premonition that **Cousin It** wanted to step forward with a quick joke for hash and he was right.

**Cousin It’s** joke - There was an accident in the Pacific Ocean between two tankers. It was a big crash and both ships sank. One was carrying **RED** paint and the other was carrying **BLUE** paint.

No one was killed but all the crew members from both ships were **MAROONED**.

#### **HASH NAME:**

**Killer** – It turns out that **Killer** never officially got a Hash name, he is known as **Killer** as that was his nickname at the surf club. Looks like the **RA** might need to fix that.

**Killer** then got a charge from the **GM** for calling a hasher by his birth name and not his real name of **Thunderbox**.

#### **ANNOUNCEMENTS:**
