HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2064 **DATE:** 15/01/2018 **HARE:** Ten Fingers & Doreen on the kai
LOCATION: 57 McNeil Rd, Kallangur

Follow the trail, until there isn't any, then just head home.

Delicious aromas beckoned the Hashers who were much relieved to see Doreen in the kitchen, the lomotil and dianguard went back in their bags, kept for the next trip to Bali. Ten Fingers looked suspiciously weary, could he have set a long run this time? Or is it that Doreen got the whip out – I suspect it was the later because the garden is looking fabulous!

A good crowd assembled on the footpath at 6.30pm-ish and listened attentively, as if we don't know the way around the block by now. "Follow the trail", he said, "until there isn't any, then just head home. I ran out of chalk." Words every Hasher longs to hear. Fortunately Bloodhound Ryvita could smell the spaghetti and lead the walkers through the alleyways and to the on home. Just as well because all the runners were already back and into the chips.

HASH CASH Boxy read the run totals and GM Pounda called the circle, RA Chunda poured the charges. Silky was permitted the luxury of sitting during the circle, what did he get up to with Smooth Ride and Mammary on the Letterbox walk?

Run Report:

Picaninny gave the Run Report, said it was flat and that was the only good thing about it.

Score: 1/7,042

Walk Report:

Night Owl gave the Walk Report, said it was short, flat, no bloody checks or this or that.

(Then went on to say it was shit, if that's what she's supposed to say? And she added there was spanking on the way.)

Score: 2/10,000

Letterbox Report:

Silky gave the Letterbox Report, said the company was brilliant, got a bit puffed on the hills.

Score: 9/10

Total Score: 12/17,052

"Shitty trail..."

Religious Articles:

Small Appendage – Pith Head still has it.

Large Appendage – Pickpocket still has it, he's taking the opportunity for a bit of experimentation. He's pulling it down, said Ryvita, his patio that it.

Scrubber Shirt – Thunderbox has it.

Vagina Brush – Boxy awarded it to Mammary Stick because she arrived looking glum, either Monday-itis or sand in her vagina.

"She's a Harriett and she's alright..."

Measuring Paddle – Night Owl managed to keep it again, Shredder can't teach her anything.

"She's the Hash woman who wears the red shoes..."

Shredder added that since he's been spending all his time in a convenience store he's now on a mental health program.

Charges from the run:

FIGJAM charged Overproof for leaving his trophy behind at the Christmas Hash – he won it for admiring FIGJAM's balls.

"It isn't long and it isn't thick..."

Ten Fingers charged Chunda because Silky said that Chunda is a pommy bastard. Reverse charge, Chunda was born in South Australia.

"He wanks his crank in the morning..."

FIGJAM charged Night Owl for threatening him with the paddle on the run and not delivering on her promise.

"Take it in your tits Mrs Murphy, I wish I could afford you a crown..."

GM Pounda charged You're Screwed for coming to Hash long enough to get a name and still not wearing a Hash shirt.

"He's stupid, he's stupid..."

Visitors:

Silky, the man responsible for Chunda. Chunda took the proxy drink for his Dad.

"Has anybody seen his cock..."

Returnees:

Heart Starter and Over Proof were playing with grandchildren and Mammary has been chasing vikings and German

backpackers. She stridently denied the nasty rumours that she was searching for a replacement for Ned – is that because she'd want an upgrade, not just a replacement?
"If I had the wings of an eagle..."

Spotty was called out for something, not sure what.
"Shit onya, shit onya..."

Hash Name:

Semen Stains forgot to remind GM Pounda to call for this.

Announcements:

Cheesecake gave details of the Australia Day festivities:

Where: 28 Garden Terrace, Kallangur

When: 5.30am for a 6.00am start YES REALLY – but for the Harrietts who are just coming for the BBQ breakfast, not surprisingly there won't be any sausages until later, the lads have to save their strength.

Why: This is not a formal bike Hash, but the day starts with a bike ride for those who wish to do it, followed by a BBQ afterwards. All Northside members welcome. RSVP to Cheesecake, text his mobile number at the top of the Trash.

Semen Stains celebrated her birthday this week.

"Hashy birthday..."

AND **Wet Spot** also celebrated hers – she kept that very quiet, only found out later thanks to Stalk Book!!

This Saturday is the **Mismanagement Committee Meeting** at Pounda's house at 5pm, 20/01/2018.

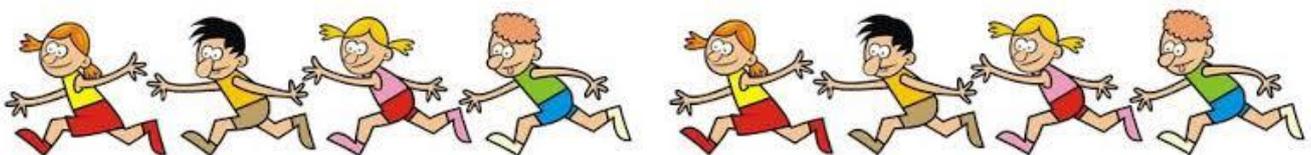

Hash Trash and Flash required for March, see a Committee Member if you'd like to take on one or both of these thrilling opportunities! No skills required, half a brain will do, thick skin a necessity. If you think you might like to try this role before the new Committee starts, here's your chance!

Next Week's Run:

Heart Starter and Overproof, 33 Aquarius Place, Kallangur.

Great walk Ten Fingers, short run but then you can't please everyone so why even try? As long as the ladies are happy, everybody is happy. Happy Harrietts, Happy Life. Thanks to Doreen for the fab spag.

Hash Cash Boxy, hard at it.

Shredder and Night Owl, often at it.

Killer eyes closed, reminiscing about it.

Ten Fingers and Spotty, discussing the virtue of skipping it, and watching the cricket instead.

Silky permitted to sit in the circle. What happened on his walk with Mammary Stick and Smooth Ride?

The three Amigos.

Overproof and his award for admiring FIGJAM's balls.

It's amazing what people will do to a ball if you offer to photograph the act.

RA Chunda and Silky, the Hash Men of Mystery, Mischief and Misfortune.

"I'm thinking of going for a run - am I wearing my running shoes?"

"To make sure you'll keep up a good pace, I'm going to release Spike here 1 minute after you start."
