HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2065 DATE: 22/1/2018 HARE: Overproof & Heart Starter LOCATION: Kallangur

**Welcome to Kallangur, where shoes and teeth are optional.
 Lucky we were nowhere near that part of Kallangur.**

A large group of hashers gathered at **Overproof's and Heart Starters** after they came to the rescue when the scheduled Hare double booked. The stand in Hash Trash went on the walk tonight due to ongoing medical reasons and we were set off on a trail that took us straight through the carpark of a drinking establishment within the first 300m and no sign of a drink for the hard work of the walk so far. We crossed with the runners a few times and were led on a nice gentle trail of 5km with the Hare in tow to ensure that no one got lost. It seems that the runners are wearing thin these days with at least 3 usual runners going on the walk due to injuries of some sort.

Once everyone was back at the bucket and **Heart Starter** had served up an entrée of fresh cooked bread and tomato soup, **Hash Cash Boxy** called the run count and the **GM** then called the circle and summoned the hare's **Overproof** and **Heart Starter** to face the music.

The **Run Report** as told by **Cheesecake**:

Cheesecake said that it was long, flat, well sort of and that it was long enough. It was well marked with a good few regroupings and that he would give it a score of 10 out of 11,000. **RA Chunda** stepped in though and took 6 points off because he did the walk on the runner's trail. I don't know where he was going with this but seen as how the **RA** is always right the revised score stood.

Score: 4/11,000

The **Walk Report** as told by **Vampire**:

Vampire was called upon to give the walk report and said that it was well marked and that it was the perfect length. **Ned** had to remind **Vampire** that she was giving a walk report and not to get off the topic. She said that she couldn't fault it.

Score: 1/1,000

The **Letterbox Walk Report** as told by **Smoothride**:

Smoothride said that it went sooooo quickly and that she didn't know if she got the ultimate satisfaction out of it or not but it was pretty good and she was happy enough. It is apparently the best she can get at the moment. (her words not mine)

Score: 4/10

The **Security Report**: - No **Security** report was given tonight.

Total score of 19/12,010.

"Sing a song of six checks, a pocket full of flower...."

HASH RELIGIOUS ARTICLES

Large Appendage: Still missing in action with **Pick Pocket**.

Small Appendage: This was returned by **Pith Head** and awarded it to **Scrubber** for his ability to recognise **Flower** from behind while she was bending over in the car.

"On top of Mt Jihad, a young Taliban...."

Scrubber Shirt: **Thunderbox** still has this and was missing in action.

Brush (Vagina): **Mammary Stick** had this and she gave it to **Scrubber** for having a birthday the other day and whinging that he was 30. Get some time up **Scrubber**.

"Here's to brother hasher...."

Paddle (Penis Sizer): **Night Owl** had this and awarded it to **Generic** for suggesting that **Night Owl** put both vegemite and peanut butter on the same piece of bread. This was almost reversed charged but seen as how **Night Owl** has now held the paddle for 3 weeks it was decided by the **GM** that he would let this below par attempt sneak through.

"Her right tit hangs over her shoulder..."

Milestone Runs: - Nil

Returns: - **Scrubber**.

CHARGES:

G-Spot had a charge for **Nighty (Night Owl)**. They must be friends. **Night Owl** didn't wear a Hash shirt on the run, but put one on once she got back. She said that she was told by **Shreddar** that she didn't have to wear one on the run. **Shreddar** was called out to join **Night Owl** for giving her false information. This had a detrimental effect for the **GM** though, as we all know that when one **Shreddar/Pounda** drinks, all **Pounda/Shreddar** drink. "There's a game could twenty toes...."

Shreddar had a charge for **Boxy** and said that he needs a lobotomy, or was that a reverse lobotomy. After collecting all of the run fees for the night, **Hash Cash Boxy** packed up and moved away to enjoy the night before **RA Chunda** called him back to give the run count. So he was found guilty of dereliction of duties and sentenced to a down down for his sins. "Has anybody seen his cock...."

The **GM** then asked if there were any other charges but the floor was silent. After a short pause, **Ten Fingers** was called out. When there are no more charges and still down downs then **Ten Fingers** is our man. "Why was he born so beautiful...."

FIGJAM then charged **Mammary Stick**. When **FIGJAM** got back from the run he found a Hashers bag with a shirt on it on the ground and doing the right thing he went to hand it to **Mammary Stick**. She reacted by saying "I don't want that shit, don't put it on me". She changed her tune though when told that the bag belonged to **Ned**. "She's a Harriette and she's alright...."

The **GM** then called out **Cheesecake** and **Wet Spot** for birthdays. **Wet Spot** was last Tuesday and **Cheesecake** was on tonight's Hash. Dedication there **Cheesecake** coming to Hash on your birthday. But then again, you've had so many of them it would just be another day now. "Happy birthday to you...."

Cheesecake then called **G Spot** out for the last down down as he became a grandfather this week. Grandma already had a drink for her birthday so it was grandads turn now. "He's the meanest, he sucks a horse's penis...."

HASH NAME:

The **GM** forgot this again as the usual Hash Trash was not there to remind him.

ANNOUNCEMENTS:

BNH3 Mismanagement Committee meeting was held on the 20th January. The following items came out of the meeting.

1. This year's AGPU will be at the Spots house at 109b Todds Rd Lawton on the 16th March at 5.30pm for a 6pm run. There will be plenty of space for those that want to camp out for the night.
2. The BNH3 40th will be coming up some time in 2019 and seen as how we would like to start planning for this as soon as possible we are calling for volunteers to form a sub-committee to help organise this. Please see Pounda if you would like to be on this sub-committee and have a massive input into this event.
3. A reminder that the allowance for the Kai on a Hash night is \$110. You will only be reimbursed for this amount with receipts. Unless there are special circumstances this will be the maximum amount.
4. Run charge for a Hash night is \$10 regardless of whether you decide not to eat or drink on the night. The only exception are those Hashers that are registered with the Hash Cash as being non-drinkers, and if that is the case then it remains extant for the entire year.
5. End of the night roadie. To be fair to the club, please ensure that if you wish to take a roadie then please only take one.
