HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2068 **DATE:** 12/02/2018 **HARE:** Pizza
LOCATION: Alderley

**We'd suspected Meat Lovers would be a cannibal tonight, but spaghetti was on the menu,
not Pizza!**

Ladels and jellyspoons lend me your ears – actually, just your funny bones would be enough. Your scribe is a little under the weather today and this is the abridged version of the night's frivolities....

We enjoyed the run and the walk, it was familiar to Hash Tarts who cross loyatlies with other kennels, but new ground to those who hadn't. And really, with 8 Hash kennels in Brisbane, we're likely to have some overlaps at times.

Our GM Pounda is laid up so his identical twin Shredder stood in for him. RA Chunda asked us all to keep GM Pounda in our thoughts and to remember Beet-a-root too, she's hard to forget though RA, but seriously, our Hash family is missing it's Padre and we hope he gets better soon.

The Religious Articles were dished out to deserving parties. The charges went to those who didn't deserve a damn thing. Tail had a 69 which deserved a drink, if only to gargle with. RA Chunda did something to get a drink too.

Hash Name:

Temporary GM Shredder called on Jake the Peg to explain how he got his name. Jake was visiting a Hash in the Phillipines and started to give them the long version of his life story in order to receive a fitting name, this however was taking up precious drinking time so they decided on a variation of his birth name and arrived very swiftly at Jake the Peg. (Nothing to do with the short, short, shorts that we was rumoured to be wearing at the time.)

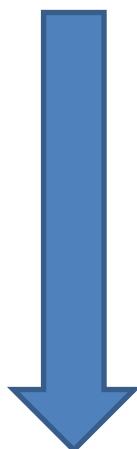

Announcements:

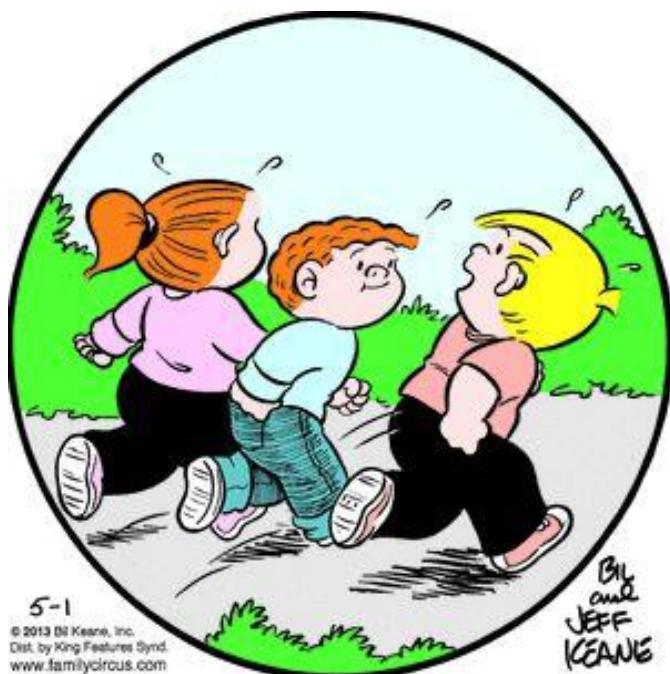

The Club Anniversary Sub Committee currently has two members and needs many more, please let Heart Starter know if you're interested in joining in.

*Pizza, the hills were low, the flat was straight, the scrub was scrubby and the spag bol was sublime.
Great run and sorry my recording failed on the details!*

"When we get older, running won't be fun. It'll just be exercise."

"On Monday, Wednesday and Friday, I lift weights for 2 hours. On Tuesday, Thursday and Saturday, I run 10 miles. On Sunday, I use yoga to kick myself in the head for overdoing it again."
