HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run Number 2208 9th November. John Goss Reserve Chermside West

So we gathered at the oval and were briefed about the run

Runners, walkers, the oval tour, took off for Hashing fun!

Down Kenna, turn left and climb up a hill

Under a boom gate into the bush,

NO TORCH, you'd be a dill!

Arrows were sparce and pack was split,

"On Back" from two directions

Found arrows on a roundabout

(set from car was the suggestion)

The walk was short, decisions made,

A score of 2 by Flower

While Cheesy, Ned and Overproof

Ran in, within the hour.

Nibbles, nuts and celery were served up

With sanitizer and tongs,

A welcome addition to our bawdy songs.

The feast continued with mince and spuds

All really appreciated, no duds!

The circle was called, the hilarity continued

All in all, a lovely night though the circle was longer than the run. Great to be together.
