## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN 2214 Hare Sherbert. Hidden World Playground Fitzgibbon.

15 brave walkers turned out in the very inclement weather to brave the elements and for Monday night' run. (or was it the promise of Sherbet's delectable culinary delights!!). Not one runner was brave enough to come out on a night like this, only the intrepid walkers kept the hash light burning.

As the run was washed out by extreme weather Hare Sherbet sent the pack out with verbal instructions on where to go. Several hashers set out with good intentions to do the run, others chose to walk around the internal path of the park whilst the less brave huddled under the shelter.

Only about 1 Km into the run (walk) Boxy saw an opportunity to short cut and headed across the Rhogan Road and most of the pack followed leaving just 3 to complete the entire run. Dog led the charge leading the 2 other brave hashers to complete the run luckily he was not walking at his usual pace as his Injured ankle was still giving him a bit of curry. We headed out on Rhogan road then a right turn along Norris road to Telegraph road to the Skate park and swimming pool right again then at last we came to Rhogan road and ON HOME only a very light sprinkling of rain accompanied us throughout the run. 500 meters from home Dog's phone rang it was Heart Starters phone which had been commandeered by On Heat worried the he had succumbed to the inclement weather and perished. Or was it that the rest of the pack were getting hungry and had emptied the eskis!!.

The run count was forgotten as the Grand Mattress called for the circle She was clearly anxious to on on to the nosh!!! Rabbi was called to give a "slackers" run report. His comment was " they were all confused about which way to run – Colck ways or anti clock ways" Dog gave the true run (walk) – Just right distance and length.

Run score 10 out of ten HaHa.

**Charges** Rabbi for being confused

Struck F\*\*\*k charged by Heart Starter for wanting a tail wind and a blow job

Rabbi and Smooth ride confused all by going anti clock wise

Boxy charged On Heat for using his phone to check up on Dog then fondling him when he arrived back. She really must be "on heat"

Ten Fingers charged Vampire and Magali for going to the wrong venue

Ten fingers was charged for growing facial hair trying to disguise himself as Singapore Sling. All those males with facial hair were charged together – Rabbi, Pith Head and Ten .

Awards – Dog presented Magali with the grub shirt for accusing the absent Shitzu for pulling Boy’s hair out What Hair????

Dummies to Ten from Flower for not knowing the difference between a red and a blue cider-a mortal sin!!!

Birthdays recently celebrated – Heart Starter, Pithy and Sherbet.

Finally the circle was closed and we all enjoyed a yummy tasty chirizo and vegetable casserole served very hot with jacket potatoes and yogurt. Followed by ‘two bite brownies.’”

**Awards/Down Downs**
