## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2074 DATE: 19/3/2018 HARE: Abbo

LOCATION: Albany Creek

**The hangover from the AGPU run.**

A good size group of hashers gathered at **Abbo's** abode, some still with a hangover from the AGPU and some just keen to get back into it.

At 6.30pm, **Abbo** shoed everyone out of the garage and up the top of the driveway to give the instructions for the run and the pack was off. Up and down the hills of Albany Creek. After about an hour, everyone made it back safe and sound. **Hash Cash To & From** called the run count and the **GM** then called the circle and summoned the hare **Abbo** to face the music.

Please be advised that due to a technical issue with my voice recorder I was unable to record tonight's circle.

From here on in for this trash, what I can't remember, I will just make shit up.

The **Run Report** as told by **Shreddar**:

**Shreddar** said that he thought that the run was rather good actually and that's all I could remember.

Score: 8/10

The **Walk Report** as told by Unknown:

I have no idea who gave this report or what they said but I vaguely remember what score was given so I will go with that.

Score: 1/10,000

The **Letterbox Walk Report** as told by Unknown:

I can't remember who gave this or what they said but there was no score given so I will give it a score.

Score: 10/10

The **Security Report**: No security report was given.

**Total score of 19/10,020**

"Sing a song of six check, a pocket full of flower...."

#### **CHARGES:**

Charges were given to **Pickpocket**, and **To & From** for lost property from the AGPU. I could understand **To & From** having Alzheimer's but not **Pickpocket**.

"Take it in your tits Mrs Murphy...."

**Pizza** was given a drink also as a proxy for **Ten Fingers** for leaving behind the Bar Bra Award for worst joke.

**Pounda** then charged **Boxy** for traveling all the way to Perth for his amateur boxing debut and getting his tooth knocked out. That's not what really happened to **Boxy**, but I never let the truth get in the way of a good story.

**HASH NAME**: No Hash name was explained tonight.
