## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2076 DATE: 2/4/2018 HARE: Cheesecake

LOCATION: Kallangur

**The great Cheesecake Pie & Pea's run.**

A very large sized group of hashers gathered at Cheesecake's in anticipation of an excellent run, or was it the promise of pie and peas for Kai, whichever it was they were there in numbers. And we were not disappointed either.

At 6.30pm, **Cheesecake** gave the instructions for tonight and then we were off around the streets of Kallangur North. The runners and walkers were off on the same trail with the runners doing some extra loops to keep everyone together. After about an hour, everyone made it back safe and sound. **Hash Cash To & From** called the run count and the **GM** then called the circle and summoned the hare **Cheesecake** to face the music.

The **Run Report** as told by **Abbo**:

**Abbo** said that the word of **Cheesecake's** run setting abilities must have gotten out because there was a big pack out tonight, it was well marked, pretty flat with plenty of re-groups.

Score: 10/10,000

The **Walk Report** as told by **To & From**:

**To & From** said "yeah, he concurs with all the previous comments". A man of many words tonight. 2/10 for the walk and 25/10 for the pies.

Score: 27/20

The **Letterbox Walk Report** as told by **Mammary Stick**:

**Mammary Stick** said that she was only planning on doing a short walk tonight but the letterbox walk was so good that she just had to keep going.

Score: 9/10

The **Security Report: Not given tonight.**

**Total score of 46/10,030**

"We had joy, we had fun, out there on tonight's run...."

**Milestone Runs:** - Nil

**Returnees:** - **Soft Puss and Vampire**

**Visitors/Virgins:** - **Aaron and Kellie**

#### **CHARGES:**

**Vampire** was called out for a down down to receive her hat for completing 200 runs.

"She is our Vampire, our only Vampire...."

**Pickpocket** then had a charge for **Flasher**. It seems that there was a really important milestone at Hash tonight, one that is even more important than the arrival of Halley's Comet. **Flasher** had driven himself to Hash for the first time in history.

"Has anybody seen his cock...."

**Pounda** then had a charge for **Overproof**. **Pounda** received a new feature on his Facebook called 'on this day'. It was on this day exactly one year ago that **Overproof** had a senior's moment and went out for a ride with the Northside bicycle group with his helmet on backwards. We are going to get as much mileage out of this one as we can.

“He’s stupid, he’s stupid....”

**Flasher** then had a charge for **Simpleton**. It appears that **Simpleton** doesn’t get out all that often and it doesn’t take much to get him excited. They had only just started on the run when **Simpleton** said “I’m feeling really stiff”.

“He’s the meanest, he sucks a horse’s penis....”

**Chunda** then had a charge for **Flasher** as he thinks that he is the Trail Master and not **Chunda**.

“Well it isn’t long and it isn’t thick....”

**Pounda** then had a charge for **Wrong Way, Soft Puss and Kellie**. These three were having a competition of who had the brightest tights.

“These are the woman who wear the Hash shoes....”

**HASH NAME:** No Hash name was explained tonight.
