HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2077 DATE: 9/4/2018 HARE: Kimasutra

LOCATION: Woolloowin

Kimasutra's Woolloowin park mozzie attack.

A good sized group of hashers gathered at Melrose Park in Woolloowin for an adventure. We don't get to this part of town all that often so we were looking forward to a great night. And we were not disappointed either. **Kimasutra** had roped in **Tinkerbelle** from the men's gay hash and at 6.30pm, **Tinkerbelle** gave the instructions for tonight and then we were off around the streets of Woolloowin. The runners and walkers were off on the same trail with the runners spearing off in a different direction not far from the start. Good ridance to the bastards too. After about an hour, everyone made it back safe and sound. **Hash Cash To & From** called the run count and after coping some abuse from the gallery, he picked up his bags and pissed off home. Apparently, he had a big

day building a bridge planned and had to get some beauty sleep before tomorrow. The **GM** then called the circle and summoned the hare's **Kimasutra and Tinkerbell** to face the music.

The **Run Report** as told by **Flasher**:

Flasher said that he hates to say it but he really enjoyed it. Some effort had gone into setting it. There was only one strange thing and that was there was a certain person (one of the hare's) was leading the runners half way around the run instead of letting them find trail by themselves.

Score: 8/10

The **Walk Report** as told by **Tail**:

Tail said that it was excellent, absolutely excellent. She said that there were a few dodgy slopes but otherwise excellent.

Score: 18/20

The **Letterbox Walk Report** as told by **Smooth Ride**:

Smooth Ride said that she wished that they could see where they were walking as it was pitch black out there. They did hide behind a tree when they looked up to see the runners approaching though. But otherwise a nice walk.

Score: 7/10

The **Security Report: Not given tonight.**

Total score of 33/40

"Sing a song of six checks, a pocket full of flower...."

CHARGES:

FIGJAM had a bonus beer for **Tinkerbell**. He said what a fantastic job **Tinkerbell** did when he took off up the hill racing **Ned**, only to get to the top of the hill and find a false trail that he had set himself.

"He thinks the whole world is in his hand...."

Flasher then had a charge for **Ned**. It seems that **Ned** was trying to set up **FIGJAM** by making him run up false trails when there wasn't one by calling him On, but at one stage he called for **FIGJAM** to follow him up a false trail that didn't exist, but **FIGJAM** was actually in front of him at the time.

"He's stupid, he's stupid...."

Semen Stains then had a charge for **Tail**. After not seeing **Tail** for six weeks, **Semen Stains** couldn't believe how little there was of her now.

"She's a Harriette and she's alright...."

Sherbet then had a charge for **Pounda**. Before the run he went and stood next to **Sherbet** and said that when the run starts that he might find a dark bush and let Mother Nature take its course. He was being nice as he could've said "hey **Sherbet**, I'm going to go for a piss" but he didn't. **Sherbet** still didn't know why she needed to know that bit of info anyway, but **Pounda** said that there are no secrets in Hash.

"Has anybody seen his cock...."

Kimasutra then had a charge for **Meatlover and Tinkerbelle**. It seems that these two are paid up members of Gay Hash and they chose to spend an evening with BNH3 instead. Bloody fools.

"It isn't big and it isn't thick...."

Pounda then had a charge for **Pizza**. This was a carryover from a couple of weeks ago when **Pounda** received an email from **Pizza** saying that he would like to be on the 40th birthday organising committee. That was all good but he signed it at the end calling himself "**Pounda**". There can be only one. Except when there is a **Pounda/Shreddar** or a **Shreddar/Pounda**.

"Last night he stayed at home and masturbated...."

HASH NAME: Pizza – when he first came to Hash he told someone that his nickname was Dougie (as in Dougie Walters). They replied what like Dougie the pizza boy, and it was from that moment on he was known as **Pizza**.
