HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2079 DATE: 23/4/2018 HARE: Scrubber
LOCATION: Kedron

Scrubber's Coles back carpark run.

A very large sized group of hashers gathered at **Scrubber's** abode in the back carpark of Coles Supermarket in Kedron for an adventurous run in virgin territory for BNH3. At 6.30pm, **Scrubber** gave the instructions for tonight's run and then we were off, because **Scrubber** lived at the end of dead end street there was only one way we could go. We turned right at the end of the street and soon found ourselves going through the dead center of Kedron. Yes we had to go through the local Cemetery and with only torches to protect us it was a quick trip through and out the other side. It was then up and down the streets of Kedron. Everyone made it back safe and sound with both runners and walkers getting back around the same time. **Hash Cash To & From**

called the run count and the **GM** then called the circle and summoned the hare **Scrubber** to have abuse and crap thrown at him.

The **Run Report** as told by **Arsehole Dick Fart**:

Arsehole Dick Fart said that it was fucking terrible and that it was just one big hill upwards and that it was horrifying.

Score: 1.2/753,000

The **Walk Report** as told by **Tail**:

Tail said that it was great and that it was really good. **Scrubber** then said to **Tail** that if she wanted to shag him then that was all right and she just had to tell him. She didn't have to suck up to him with a good walk report. He got one point for the walk and the rest was for the promise of a shag.

Score: 8/10

The **Letterbox Walk Report**: **There were no slack arse letterbox walkers tonight.**

The **Security Report**: **No security was required tonight. Everyone knows there is nothing worth stealing at Scrubber's.**

Total score of 9.2/753,010

"We're glad you finally set a run, you're always fucking bitchin...."

HASH RELIGIOUS ARTICLES

Large Appendage: Smooth Ride had this but she forgot that she had it and was made to hold onto it for another week. She was made to have a drink for her sins.

"She's a Harriette and she's alright...."

Small Appendage: Thunderbox had this and gave it to **Pickpocket** for his inability to support a decent football team. Manly got flogged by Parramatta who hadn't won a game all year until they come up against Manly.

"He makes us happy, he makes us gay...."

Scrubber Shirt: Flower had this and gave it to **Pizza** for slipping on the soap in his spa bath and cracking a couple of ribs after a morning walk up Mt Cootha.

"He's stupid, he's stupid...."

Brush (Vagina): Beat-a-Root has this and is currently putting it to good use. She is a very tidy person.

Paddle (Penis Sizer): Scrubber had this and awarded it to the biggest whinging Hasher on the run in **Thunderbox**.

"Shitonya, shitonya, shitonya, in Russian it means I adore you."

Milestone Runs: - Thunderbox (800 runs)

Returnees: - Nil

Visitors/Virgins: - Winnie The Pooh, Skid Mark and Priscilla

Birthdays: Nil

CHARGES:

Boxy had a charge for **Flasher** for appearing on TV. Not only wasn't he wearing a Hash shirt, but he not once mentioned BNH3.

"Why was he born so beautiful...."

Pizza had a charge **Kimasutra** because she was the one that drove him to the hospital after his fall. The crowd erupted and called reverse charge as this was a piss poor effort for a charge. It was duly granted as a reverse charge and **Pizza** was made to come out and have a drink.

"On top of Mt Jihad...."

Pounda then had a charge for **Abbo** because he was out shoe shopping with his wife. This is not the correct way that a Hasher should conduct himself in public. **Abbo** said that the only reason he agreed to go shoe shopping with his wife was that it got him into Tapworks Bar for a couple of beers afterwards.

"Well it isn't long and it isn't thick...."
