HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2080 DATE: 30/4/2018 HARE: Pounda and Beat-a-Root

LOCATION: Murrumba Downs

Murrumba Downs Mozzie run.

A very large sized group of hashers gathered at **Pounda and Beat-a-Root's** castle in Murrumba Downs for what was sure to be an excellent run. Due to traffic issues on the highway north, the run started a little later tonight and at 6.40pm, **Pounda** herded everyone out the front to give the instructions for tonight's run. The run was set during the morning but due to a downpour of rain mid afternoon, **Pounda** had to go back out out reset the runners trail, with the walkers group being a possible live hare if the chalk marking didn't survive the rain. The letterbox walkers were told to "MSU (make shit up)". Instructions were given and then we were off to harass the fine folk of Murrumba Downs. Everyone made it back safe and sound with the runners just beating the walkers. **Hash Cash To & From** called the run count and then had to make a quick exit with the nights takings. It

seems that he is planning another overseas trip. The **GM** then called the circle and summoned the hare's **Pounda and Beat-a-Root** to have abuse and wisdom thrown at them.

The **Run Report** as told by **Simpleton**:

Simpleton said that it was a good run with not enough checks or re-groups. From having set the run myself I know that there were plenty of both. Thanks **Simpleton**.

Score: 10/20

The **Walk Report** as told by **Dangles**:

Dangles said that it was quite good and that he went to some places that he hadn't been to for a while (like never).

Score: 6.9/10

The **Letterbox Walk Report** as told by **Shitzu**:

Shitzu said that it was good, a little bit of downhill and then a little bit of uphill and it was just nice.

Score: 10/10

The **Security Report: No security was given tonight.**

Total score of 26.9/40

HASH RELIGIOUS ARTICLES

Large Appendage: Smooth Ride had this and awarded it to **FIGJAM** for being outspoken and upstanding and needing something to be judged by.

"Has anybody seen his cock, his big Rhode Island red...."

Small Appendage: Thunderbox has this and is still giving it a workout.

Scrubber Shirt: Pizza had this and gave it to none other than **FIGJAM**. This was for not looking after his dad on ANZAC Day by not having milk available at the RSL Club.

"He wanks his crank in the morning...."

Brush (Vagina): Beat-a-Root had this and thought that **FIGJAM** was most deserving of this. **FIGJAM** had turned up to tonight's run about two hours early and offered to give a hand. He was doing such a good job and he went to the toilet to get some toilet paper to pick up some dog poop. **Beat-a-Root** was in the shower and **FIGJAM** nearly seen her naked. **Pounda** said that if **FIGJAM** had of seen her naked then he would have been upset as he hasn't seen this himself for a while.

"Well it isn't long and it isn't thick....")

Paddle (Penis Sizer): Thunderbox has this and is still seeing if he measures up.

CHARGES:

FIGJAM had a charge. **FIGJAM** was at the Beachmere RSL on ANZAC Day working behind the bar when two apprentice Hells Angel's came into the bar and asked for a glass of milk. **FIGJAM** said what are you fucking talking about you idiots, this is an RSL Club not a bloody milk bar. It is ANZAC Day and we are only serving beer here, so you can both piss off down the milk bar. It appears **Ten Fingers** and **Fidel** got their watering holes mixed up. **Fidel** wasn't present so **Ten Fingers** had to step forward and take a drink for both of them. "He's stupid, he's stupid...."

Dog then had a charge for **Pounda**. **Dog** thought that it was a great job that **Pounda** had organised a full moon for tonight's run to go with the great scenery. **Pounda** said that it was no worries at all and that he didn't even have to bend over. "He keeps the whole world, in his gland...."

Pounda then had a charge for the **GM** and called **Dog** forward as exhibit A. It was **Dog's** first night back for a while and our **GM** did her best to scare the crap out of **Dog** by chasing all of the cane toads towards him on the walk. **Dog** is now receiving treatment for his nightmare's in the form of beer's. "Shitonya, shitonya, shitonya, in Russian it means I adore you."
