HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2081 DATE: 7/5/2018 HARE: Meatlover and Smooth Ride

LOCATION: Sandgate

As Milli Vanilli said, "BLAME IT ON THE RAIN".

A good sized group of hashers gathered under the covered bridge in Einbunpin Lagoon park in Sandgate. Was it in anticipation of being set off on a good run or was it to get out of the rain. A bit of both I think. Either way at 6.30pm, **Meatlover** called for Hash quiet and proceeded to go into full Military mode of giving orders to explain the run/walk. Too much information was the call, just tell them which way to go and then we were off. The runners went to the right and the walkers off to the left with the walkers coming across an On Home marking within about 100m from home. Presented with a tough decision of whether to follow this trail or not, we decided to push on and look for more trail. About 300m up the road though it all turned pair shaped as the rain had washed out the rest of the trail. So from that moment on we just made shit up. Eventually everyone made

it back safe and sound. **Hash Cash To & From** called the run count and then the **GM Flower** called the circle and summonsed the hare's **Meatlover** and **Smooth Ride** to the docks to be judged.

The **Run Report** as told by **Abbo**:

Abbo said that it was really muggy out there and he got really damp from running around. He said that the first couple of arrows were good but then they came upon the shortest false trail in history. About three feet. But they ended up doing a nice little run.

Score: 2/10

The **Walk Report** as told by **Dog**:

Dog said that it was really good and that he thought that we should all start using the same chalk because it was excellent.

Score: 9.5/1,000

The **Letterbox Walk Report** as told by **Mammary Stick**:

Mammary Stick said that it was going to be a real letterbox walk but it turned into a bit of a shag walk, they went past the water fountain and then came back. Too much rain.

Score: No score given.

The **Security Report** as told by **Sherbet**:

Sherbet said that it was good because she didn't get wet.

Score: No score given.

Total score of 11.5/1,010

HASH RELIGIOUS ARTICLES

"He's stupid, he's stupid, he's really fucking dumb...."

Small Appendage: Pickpocket had this and gave it to **Tail**. **Pickpocket** had overheard **Tail** telling **FIGJAM** that she wanted some rough sex. Have it with this he said.

"She's a Harriette and she's alright...."

Scrubber Shirt: FIGJAM had this and gave it to **Meatlover** for the shortest false trail that he had ever seen.

"Why was he born so beautiful...."

Brush (Vagina): FIGJAM had this and decided to keep it for a while to find a deserving recipient.

Paddle (Penis Sizer): Thunderbox has this and is still seeing if he measures up.

CHARGES:

It was a chorus line calling for a charge for **Abbo**. Whenever it rains during a Hash run, **Abbo** gets a drink. This has been the way ever since he famously said one night many moons ago that it never rains during a Hash run. Famous last words **Abbo**.

“Last night he stayed at home and masturbated....”

Pounda then had a charge for **Abbo**. It appeared that **Picinini** was missing tonight as it was the anniversary of the day **Abbo** sold his child off to another family. Happy wedding anniversary **Picinini**, take a drink for him **Abbo**.

“He ought to be publicly pissed on. He ought to be publicly shot....”

Pounda then had another charge and this time it was for **FIGJAM**. On his way to hash **Pounda** got a call from **FIGJAM** asking where tonight’s run was. After getting the address he entered it into his Satnav and then proceeded to drive another 200m up the road to tonight’s venue. You almost got there **FIGJAM**. DAS AUTO “There’s a skeeter on his peeter whack it off....”

DAS AUTO FIGJAM

A woman walked into the kitchen to find her husband stalking around with a fly swatter. "What are you doing?" she asked.

"Hunting flies," he replied.

"Oh, killed any?" she said.

"Yep, 3 males, 2 females," came the answer.

Intrigued, the wife asked, "How can you tell them apart?"

Husband: "3 were on a beer can, 2 were on the phone."
