## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2082 DATE: 14/5/2018 HARE: To & From

LOCATION: Chermside

To & From's Chermside Marathon.

A good sized group of hashers gathered at Burnie Brae Park in Chermside for what some called a marathon. At 6.30pm, **To & From** called for Hash quiet for which no one listened, and called for everyone to follow him out the front of the park for instructions. The runners and walkers went off on the same trail with the runners eventually running off in all sorts of other directions. Eventually after what seemed like a marathon, everyone made it back safe and sound. Except for **Heart Starter** who thought that she would try a new sport called horizontal walking. She didn't get far with that but at least she had a go at it. **Hash Cash To & From** called the run count and then the **GM Flower** called the circle and summonsed the hare **To & From** to the face the scowling gallery.

The **Run Report** as told by **Chunda**:

**Chunda** said that it fucking sucked.

Score: 1/500,000

The **Walk Report** as told by **Heart Starter**:

**Heart Starter** said that it was a great walk and that she quite enjoyed it. Lovely scenery, lovely conversation and good company.

Score: 8/10

The **Letterbox Walk Report**: No Letterbox report Given

The **Security Report**: No Security report Given

**Total score of 9/500,010**

“We had joy, we had fun, out there on **To & From’s** run (it was at this point that **Chunda** chimed in with “**no we fucking didn’t**”)....”

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage**: Ned had this but he forgot that he had it and therefore he didn’t bring it, so he had to keep it for another week.

**Small Appendage**: **Tail** had this and gave it to **Amanda**. **Tail** gave it to **Amanda** because she was silly enough to come back for her second run. And I tell you what, the way she grabbed the small prick it is no wonder that **Dog** has a smile on his face.

“She’s a Harriette and she’s alright....”

**Scrubber Shirt**: This was missing in action with **Meatlover**.

**Brush (Vagina)**: **FIGJAM** had this and decided to give it to **Pizza** for complaining that **FIGJAM** is too pedantic for saying that you had to wear the Scrubber shirt on the run.

“He’s the meanest, he sucks a horse’s penis....”

**Spit The Dummy Award (New or returning award)**: This was awarded to **Chunda** for spitting the dummy about tonight’s run. **Chunda** said that he had to spit the dummy because he couldn’t fucking breath.

“He’s the meanest, he sucks a horse’s penis....”

**Paddle (Penis Sizer)**: **Thunderbox** has this and is still seeing if he measures up.

**Milestone Runs**: - Nil

**Returnees**: - Runabout and Galliano

**Visitors/Virgins**: - Nil

**Birthdays**: Nil

#### **CHARGES:**

**Pounda** had a charge for **Heart Starter** as she tried a new sport tonight called horizontal walking or some could say planking. She was guilty of bitumen abuse. She kicked the bitumen so hard that it is still crying.

“Here’s to sister hasher....”

**Wrong Way** had a charge for **Galliano** for talking on the mobile phone while walking.  
“Well she’s the woman who wears the Hash shoes....”

**Pizza** then had a charge for **Boxy** and **Sherbet**. It appeared that they may have been looking at porn on a phone for the run although I don’t think that there was any evidence produced to substantiate this accusation. I think that **Pizza** was just jealous that he didn’t get to see it.  
“Last night they stayed at home and masturbated....”

**Hash Name: Dog** was called upon to explain how he got his name. He said that he used to be a good runner and that he kept finding the trail. They were going to call him Hound like the sniffer dogs, but then **To & From** decided to just call him **Dog** instead.
