HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Your committee are located throughout the northern suburbs. We are more than happy to take delivery of, or collect, the plates and cutlery if the holder can't make it to the next run.

RUN NO: 2084 DATE: 28/5/2018 HARE: Simpleton

LOCATION: Stafford Heights

There's a reason they call it Stafford Heights. There are a lot of heights.

Considering that we had a few Hashers away at Inter Hash and the rain was hanging around as well, we still had a good sized but enthusiastic group of hashers gather at Simpleton's house at Stafford Heights for what promised to be a good run and we were not disappointed. At 6.30pm, **Simpleton** gathered everyone out to the driveway and gave the instructions and we were off to terrorize the streets of Stafford Heights. It was straight into it with a decent uphill just to get out of the street and it didn't stop for the rest of the night. Eventually everyone made it back safe and sound. **Hash Cash To & From** called the run count and then the acting **GM Cheesecake** called the circle and called the hare **Simpleton** and his offsider **Chucky** to the face the music.

The **Run Report** as told by **FIGJAM**:

FIGJAM said that it was about a 6km run not counting the false trails which turned it into about 12km, marked by a person between Quade Cooper and Dan Carter. If you don't know who he is, that's an asshole. Other than that, it was well marked, ahh no it wasn't.

Score: 5/10

The **Walk Report** as told by **Heart Starter**:

Heart Starter said that there wasn't much in the way of markings and led by a semi-competent Hare. Chucky said that he only found out about an hour before the walk that he was to be a live Hare, but that is no excuse.

Score: 2.5/15

The **Letterbox Walk Report** as told by **Mammary Stick**:

Mammary Stick said that it was sensational.

Score: 7.5/10

The **Security Report** as told by **Reg the Dog**:

Reg the Dog said "woof, woof, woof".

Total score of 15/35

"They ought to be publicly pissed on...."

HASH RELIGIOUS ARTICLES

Large Appendage: Ned had this and awarded it to **FIGJAM**. **Ned** said that he was glad that **FIGJAM** spoke up as he was nearly going to take it home again but decided to give it to the first Hasher that spoke up with a term of endearment towards him. In other words, the first Hasher that put shit on him.

"He's special, he's special, he's really fucking dumb...."

Small Appendage: This was missing in action with **Jake The Peg**.

Scrubber Shirt: Heart Starter had this and awarded it to **Mammary Stick** for going out in sympathy with **Ned**. She has a sore finger (see photo below).

"Take it your hand Mrs Murphy...."

Brush (Vagina): This was missing in action with **Pizza** in Fiji.

Spit the Dummy Award (New or returning award): This was missing in action with **Sheep Thrills**.

Paddle (Penis Sizer): Thunderbox has this and is still seeing if he measures up.

**I was told to check my
attitude... I did...
It's still there... it's not
gone anywhere,
what's the problem?**

You know when you get
that urge to eat
something just because
it's there?

Anyway, lost my
