## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2085 DATE: 4/6/2018 HARE: Flower

LOCATION: Bridgeman Downs

The GM puts on another fabulous show.

A very large sized an enthusiastic group of hashers gathered at our **GM Flower's** house at Bridgeman Downs for what promised to be a excellent run and we were not disappointed. At 6.30pm, the **GM** called for quiet and gave the instructions and we were off to harass the good people of Bridgeman Downs. It was straight into it with the first turn revealing a false trail and it just got better and better from there. Up a few hills through some scrub and then a nice walk/run through the park. Eventually everyone made it back safe and sound. **Hash Cash To & From** called the run count and then the **GM Flower** called the circle and then presented herself as tonight's Hare to the face the music.

The **Run Report** as told by **Shreddar**:

**Shreddar** thought that it was very good run with a combination of chalk and a lot of flour right through the woods. Unfortunately, the safety was let down when one of our visitors ate a bit of dirt, she was later reported to be OK. Other than that, it was a cracking run.

Score: 8/10

The **Walk Report** as told by **Next Week**:

**Next Week** said that the walk was great (there was much laughter at this call). Apparently, he short cutted through the scrub to get onto the runner's trail and ended up getting back to the bucket early.

Score: No score given

The **Letterbox Walk Report** as told by **Beat-a-Root**:

**Beat-a-Root** said that it was really good but there were a little too many rises in it as she was expecting it to be nice and flat. But it was excellent.

Score: 10/10

The **Security Report**: No security report given tonight.

**Total score of 18/20**

"Little arrows, little arrows...."

## HASH RELIGIOUS ARTICLES

**Large Appendage: FIGJAM** had this and gave it to **Simpleton** because he either wants a prick or is a prick.  
"Has anybody seen his cock...."

**Small Appendage: Jake The Peg** had this and gave it to **Tail** because we know for certain that on this day a long time ago she was naked.

"Take it in your tits Mrs Murphy...."

**Scrubber Shirt: Mammary Stick** had this and Hashers were queuing up to get this from **Mammary Stick** this week because they knew that it would not have one ounce of sweat on it and that it would smell beautiful. One Harriette had even commentated on how beautiful the Scrubber shirt looked. It's all yours **Tail**.  
"She's a Harriette and she's alright...."

**Brush (Vagina)**: This was missing in action with **Pizza** in Fiji.

**Spit the Dummy Award (New or returning award)**: This was missing in action with **Sheep Thrills**.

**Paddle (Penis Sizer)**: **Thunderbox** has this and is still seeing if he measures up.

**Milestone Runs**: - Nil

**Returnees**: - Nil

**Visitors/Virgins**: - Tammy, Sir Piss A lot, Next Week, Sir Psychedelic Cum Fountain (Wanker) and Just Lisa

**Birthdays**: Tail & Pounda

## CHARGES:

**Jake the Peg** had a charge for Next Week. It appears that he doesn't know what trail is and was just listening for the On On calls. Unfortunately, he was hearing the calls of the runners, not the walkers and this caused him to be a short cutting bastard.

"Last night he stayed at home and masturbated...."

**Shreddar** had a charge for **Simpleton**. **Shreddar** got a little worried out there on the run and he thought at one stage that he was running with GAY Hash as **Simpleton** tried to mount him on the run by running up the back of him. Remember **Shreddar**, it's only gay if you push back.

"He thinks the whole world is in his gland...."

**FIGJAM** then had a charge for **Mammary Stick** and **Smooth Ride** for over achieving. They were both seen to be walking in amongst the other walkers tonight and were reportedly over 700m away from the bucket and going up a slight hill at the time.

"These are the women that wear the Hash shoes...."

There was one drink left and **Ten Fingers** was called forward. When there are no charges and we still have a down down left, **Ten Fingers** gets it. He then also graced us with a joke that surprisingly was actually quite good. "Why was he born so beautiful...."

**Hash Name: No hash name explained this week.**
