HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2087 DATE: 18/6/2018 HARE: FIGJAM & B1

LOCATION: Sandgate

FIGJAM's Sandgate Airport Run.

A good sized group of hashers braved the cold winds and gathered at Thunderbird Model Aeroplane Club at Sandgate for yet another **FIGJAM** adventure. It was a cockup from the start with **FIGJAM** forgetting to bring the key for the gate, so everyone had to perform a commando cat like manouvre just to get themselves through the fence. At 6.30pm, **FIGJAM** called for everyone to climb back through the fence and back into the carpark for tonight's run/walk instructions and were off to explore Sandgate. We started off with a bit of bush and ended up with a bit of bush with a few suburban streets in between. Eventually everyone made it back safe and sound. **Hash Cash To & From** called the run count and then the Hare's **FIGJAM** and **B1** were called into the circle to face the fire. And with the cold winds this might have been a good thing.

The **Run Report** as told by **Yackity Yack**:

Yackity Yak said that she liked it because it was hard. Or was it that she didn't like it because it was hard. I don't know because someone didn't use her outside voice so the audio was hard to understand. I'm seeing a theme here and it all involves the word HARD.

Score: No score given.

The **Walk Report** as told by **Heart Starter**:

Heart Starter said that there was lots of bush and that it was very dark.

Score: 8/10

The **Letterbox Walk (location) Report** as told by **Flower**:

Flower eventually arrived after doing three laps of the Pacific and Bruce highways, got out of her car and said "ffffaaarrrrkkkkk". It appears that a Peugeot sat nav is just as useless as a Volkswagen sat nav, hey **FIGJAM**. Neither can find their way to Sandgate.

Score: No score given.

The **Security Report** as told by **Sherbet**:

Sherbet said that it was cold and that they kept getting RACQ trucks pulling up but because there was some shady looking Harriette's loitering around they disappeared again.

Score: No score given.

Total score of 8/10

HASH RELIGIOUS ARTICLES

Large Appendage: Flasher had this and gave it to **Yackity Yak** for over achieving and running so fast tonight that she lost weight on the run and her long pants were not fitting her anymore.

"She's a Harriette and she's alright...."

Small Appendage: Tail had this and gave it to **FIGJAM** for picking a venue for tonight's Hash that has no toilet for the Harriette's. Still failing to see where the problem is.

"I stuck my head up a billy goats ass...."

Scrubber Shirt: Tail had this and gave it to Pickpocket because he was stupid enough to wear a singlet on a cold windy night.

"I stuck my head up a billy goats ass...."

Brush (Vagina): Pizza had this and gave it to **FIGJAM** for referring to the walkers as whingers. **FIGJAM** asked where he went wrong.

"How stupid is that Hasher in the circle...."

Spit the Dummy Award: Simpleton had this and I believe that he has got away with not having it with him tonight. Next week **Simpleton**.

"He's stupid, he's stupid, he's really fucking dumb...."

Paddle (Penis Sizer): Thunderbox has this and is still seeing if he measures up.

CHARGES:

Boxy had a charge for **Next Week**. There was a check conducted for clean finger nails as **Next Week** took advantage of the darks woods to take a crap in the bush. Wonder what he used for loo paper.

“Shitonya, shitonya, shitonya....”

Pig Pen had a charge for **FIGJAM**. He said that he had come across a very disturbing factor about tonight’s run. Midway through the run they had diverted through some very dark and terrible bush that was a bit scary, but nothing more disturbing than a creepy looking man walking out of the bush with a young boy in his hands.

“On top of Mt Jihad....”

FIGJAM then had a charge for **Beat-a-Root**. He had to apologize for not cooking the Kai tonight but he got a good deal. He got told that pork is cheap and would he like it brought and cooked for him. Yes Please. Then it changed to chicken and then back to pork again. Then to chicken and then back to pork again. **FIGJAM** was just as in the dark about tonight’s Kai as everyone else was. But an excellent job was done by **Beat-a-Root** with pulled pork and gravy rolls and vegie lasagne with pork crackling on the side. Followed up by date and coffee slice.

“She’s the woman who wears the Hash shoes....”
