HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2089 DATE: 2/7/2018 HARE: Pizza

LOCATION: Alderley

Pizza's train line marathon.

A good sized group of hashers gathered at the dog (not the Hasher) park at Alderley for what promised to be a good run. That was until **Pizza** and **Next Week** decided to set a marathon. At 6.30pm, **Pizza** called for Hash quiet and gave tonight's run/walk instructions and we were off to explore Alderley. And explore we did as we crossed the Ferny Grove train line about 67 times and seen more of Alderley than we care to remember. The Hash Trash and **Wheelbarrow** cut the walk short and still managed to do 6km. The runners from what I heard adding another couple of km's on top of that. Eventually everyone made it back safe and sound. Stand in **Hash Cash To & From** called the run count and then the Hare **Pizza** and his accomplice **Next Week** were called forward to be stoned to death.

The **Run Report** as told by **Picanini**:

Picanini said that it was shit and he didn't like one bit of it as it was complete garbage and disgusting.
Score: 10/10

The **Walk Report** as told by **Tail**:

Tail said it was fucked.
Score: 1/56,000,000

The **Letterbox/Security Report**: No reports were given for these two tonight.

Total score of 11/56,000,010

"Sing a song of sixpence...."

HASH RELIGIOUS ARTICLES

Large Appendage: Boxy had this but forgot that he had it and was made to pay the price of his Alzheimer's with a drink.

"He's stupid, he's stupid...."

Small Appendage: FIGJAM had this and gave it to **Abbo** for not helping out one of his tribesmen with a bit of string to fix his pushbike.

"Has anybody seen his cock...."

Scrubber Shirt: Pickpocket had this but has decided to keep it until he is well enough to run again so that he makes it all sweaty on the night.

Brush (Vagina): FIGJAM had this and gave it to **Next Week** for complaining about his own run.

"How dumb is that Hasher in the middle...."

Spit the Dummy Award: This was missing in action with **Simpleton**.

Paddle (Penis Sizer): Thunderbox has this and is still seeing if he measures up.

Milestone Runs: - Nil

CHARGES:

Tail had a charge for **Boxy** for not following the rest of the walkers. **Boxy** tried to have this reversed and said that he was following trail. But the **GM** would have none of this and told him to take his medicine. **Kimasutra** tried to add to this charge for something but was duly told to get out there with **Boxy**.

"Shitonya, shitonya, shitonya...."

Boxy had a charge for **Next Week** for setting the last arrow going down a steep embankment and nearly throwing **Boxy's** hip out.

"Down down down your beer...."

Kimasutra then had a charge for **Shreddar** for bringing BNH3 into disrepute in Fiji by dancing like a gay girl on the stage. Of course, **Pounda** wasn't happy with this because everyone knows that when one **Shreddar/Pounda** drinks, all **Pounda/Shreddar** drink.

"On top of Mt Jihad...."

Hash Name: No Hash name explained this week.
