## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2091 DATE: 16/7/2018 HARE: Killer

LOCATION: Everton Hills

**Killer's Miricle Run.**

A small but very enthusiastic group of hashers gathered at **Killer's** home for what some Hashers thought due to the last few weeks was going to be yet another marathon. But **Killer** surprised us tonight as the walk was a nice gentle 4.1km and the runners estimated the run to be about 5.5km. Everyone was back at the bucket after 45 mins and all seemed to be happy with tonight's run/walk. **Hash Cash To & From** called the run count and then the **GM Flower** called the Hare **Killer** forward for a drink and to face tonight's music.

The **Run Report** as told by **Chunda**:

**Chunda** took his beany of to **Killer** because he for once he done something right.

Score: 100/100

The **Walk Report** as told by **Boxy**:

**Boxy** said it was short and sweet. Just the right amount

Score: 10/5002

The **Letterbox/Security Report** as told by **Sherbet**:

**Sherbet** said that the security was good and that she just kept an eye on the one piece of wood on the fire.

**Total score of 110/5102**

“Little arrows that you follow....”

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage**: This was missing in action with **Kimasutra**.

**Small Appendage**: **Tail** had this and gave it to **Next Week** because he was one of the front walkers that didn't stop at any of the regroup.

“Has anybody seen his cock....”

**Scrubber Shirt**: This was missing in action with **Pickpocket**.

**Brush (Vagina)**: **Next Week** had this but failed to produce it and somehow got away with it.

**Spit the Dummy Award**: This was missing in action with **Simpleton**.

**Paddle (Penis Sizer)**: **Thunderbox** found his award and gave it to **Picinini** for no other reason but changing his name to please the Pom's when in Pommyland.

“**Picinini** takes it up the arse....”

**Milestone Runs**: - Nil

**Returns**: - **Thunderbox**

**Visitors/Virgins**: - Nil

**Birthdays**: Nil

#### **CHARGES:**

**Picinini** had a charge for **Killer**. He said that he completely disagreed with **Chunda's** assessment of the run as they got as far as the second check and it was marked in both directions. There were still some arrows about from the Thirsty Hash run and **Picinini** said that **Killer's** half of the run was shit.

“His one skin hangs down to his two skin....”

**Thunderbox** got a charge for not looking after Hash property because he couldn't keep hold of his Penis Sizer. He had brought it along to tonight's run but left it on the table and it went missing.

“He's stupid, he's stupid....”

**FIGJAM** had a charge for **Killer** for dropping his receipt for grog at the first arrow. But as seen as it wasn't his receipt and it was a shit charge, it got reversed and **FIGJAM** got the beer instead.

"He's the meanest, he sucks a horse's penis...."

As there were no more charges from the floor but one more down down left, **Ten Fingers** was called forward to take his medicine.

"Last night he stayed at home and masturbated...."

**Hash Name: Picinini** – Son of **Abbo** and what do you call a small black fella. You call him **Picinini**.
