HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2092 DATE: 23/7/2018 HARE: Ten Fingers

LOCATION: Kallangur

Short and sweet, just the way we like it.

A good sized group of hashers gathered at **Ten Finger's** house at Kallangur for what was hoping to be a nice short run and **Ten Fingers** didn't disappoint as the walk was a nice gentle 3.5km and the runners estimated the run to be about 5.5km. Everyone was back at the bucket after 45 mins except **Killer** who managed somehow to get himself lost. Eventually he found his way back after walking far enough to last him for three hash runs. **Hash Cash To & From** called the run count and then the **GM Flower** called the Hare **Ten Fingers** forward to face tonight's music and possibly a firing squad.

The **Run Report** as told by **Overproof**:

Overproof said that were going great guns on chalk most of the way and then they hit some shiggy and that he was pretty sure that **Ten Fingers** didn't actually go through that shiggy. Luckily **Overproof** knew where they were going and they came out in the tunnel of love. They eventually found trail again back on the rail trail.
Score: 5/5,000

The **Walk Report** as told by **Tail**:

Tail said that it was great with excellent company, well done.
Score: 8/10

The **Security Report** as told by **Pickpocket**:

Pickpocket said that it was shit actually as there was no booze and he didn't know what to do with himself. At least he would have had time to reflect on why he follows such a shit football team.
Score: 1/2,000,000

Total score of 14/2,005,010

"We had joy, we had fun...."

HASH RELIGIOUS ARTICLES

Large Appendage: This was missing in action with **Kimasutra**.

Small Appendage: **Next Week** had this and gave it to **Tail** so that she would have something to open the beers with.
"She's a Harriette and she's alright...."

Scrubber Shirt: **Pickpocket** had this but seen as how he was still suffering from a crook back, he employed a proxy in **Shreddar** to wear it on the run and get it nice and sweaty for the next recipient. And there was no other deserving winner than **Tail** as she went off on the walk and locked the Hash booze in her car causing **Pickpocket** to go thirsty.
"Take it your tits Mrs Murphy...."

Brush (Vagina): **Next Week** had this and gave it to **FIGJAM** because he is always whinging about how long the run is.
"He wanks his crank in the morning..."

Spit the Dummy Award: This was missing in action with **Simpleton**.

Paddle (Penis Sizer): **Picinini** had this and gave it to **Killer** because he didn't think that **Killer** went far enough away from the bucket to get lost.
"Has anybody seen his cock...."

Pounda then had a charge for **Ten Fingers** as well because when there was a murder in a local Murrumba Downs street just recently, **Ten Fingers** gave **Pounda** a call that morning to see if he was alright. Pounda had a charge for **Pickpocket** for not being a loyal supporter and not watching his footy team getting flogged. He switched off the TV after they were down 24-0
