## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2093 DATE: 30/7/2018 HARE: Pounda & Beat-a-Root

LOCATION: Murrumba Downs

**Pounda's crime scene sight-seeing adventure.**

A good sized group of hashers gathered at **Pounda & Beat-a-Root's** house at Murrumba Downs for what promised to be an excellent run. With the recent events of drug deals gone wrong and murder in this normally quiet suburb, everyone was on their guard when they were out on the walk/run just to ensure that they didn't become another statistic. At 6.30pm **Pounda** called everyone out front to give the instructions for tonight's run/walk. Be careful of shady looking characters hiding in dark areas was the call, approach with care, as it could be **Scrubber**. The pack was also told to keep a look out for a good real estate opportunity as prices in the area could be down due to the recent crime rate. Buy now, wait for the crimes to stop and then watch the value go back up was the call. Off we went, walkers to the left, runners to the right, here we are stuck in the middle with

you. Couldn't resist that one. After a nice gentle walk of 4.3km and a run of 5.5km, everyone made it back to the bucket safe and sound and didn't become another victim of the local crime spree. **Hash Cash To & From** called the run count and then the **GM Flower** called the Hare's **Pounda and Beat-a-Root** forward to face tonight's music.

The **Run Report** as told by **Picinini**:

**Picinini** said that he thought that it was pretty good and it was good to see **Dog** on most of the run tonight. At least a four legged one anyway. It was the new improved **Dog** and a much better conversationalist. The only problem was every time they stopped he showed them his arse and peed on every tree and light post.  
Score: No score given.

The **Walk Report** as told by **Pizza** and **Ned**:

**Pizza** said that it was great, nice dark alleys and curving ground up and down and it was fantastic. **Ned** said it was fantastic, good effort and gave it a great score.  
Score: 10/10

**Letterbox Walk (The crippled contingent)** as told by **Vampire**.

**Vampire** that it was just the right length for the cripples.  
Score: No score given.

The **Security Report** as told by **Pickpocket**:

**Pickpocket** said that it was awesome and that **Beat-a-Root** gave him a heat pack for his back so it was fucking good.  
Score: No score given.

**Total score of 10/10**

"As first I was afraid, I was petrified...."

## HASH RELIGIOUS ARTICLES

**Large Appendage:** This was missing in action with **Kimasutra**.

**Small Appendage:** **Tail** had this and gave it to **To & From** because he needs a good rogering because he just can't seem to get the run numbers right.

"Last night he stayed at home and masturbated...."

**Scrubber Shirt:** **Tail** had this and gave it to **Wheelbarrow** for his failing eyesight. When he arrived tonight, he looked at **Tail** and said 'how are you **Flower**'.

"Last night he stayed at home and masturbated...."

**Brush (Vagina):** **FIGJAM** had this and gave it to **Ned** for whinging. Sorry **Ned** but **Pounda** couldn't save you this time.

"Down, down, down your beer to answer for your crime..."

**Spit the Dummy Award:** This was missing in action with **Simpleton**.

**Paddle (Penis Sizer):** **Killer** had this and tried to give it to **Ned** for giving a score of 10/10. He said that this was impossible as no one was a 10. But this was reversed as it was quickly pointed out by **Pounda** that **Bo Derek** was a 10/10.

"Has anybody seen his cock...."

**Milestone Runs: - Nil**

**Returnees: - Mammary Stick, Ned and Generic**

**Visitors/Virgins: - Nil**

**Birthdays: Wrong Way**

**CHARGES:**

**Chunda** had a charge for **Dog** for doing most of the run, and he had never seen **Dog** have that many pisses. "His got a skeeter on his peeter whack it off..."

**Dog** had a charge for our **GM** and **To & From** for gabbing on while on the walk and they missed the trail and had to be called back by **Dog**. The gallery said that the **GM** couldn't be charged. But the **RA** can charge them and he stuck up for **Dog** because he had to send them back right at the start of the walk because they missed the very first bit of trail as well. Then **Boxy** and **Heart Starter** got called out as well for missing trail as well and had to be called back by the hare.

"How dumb are these Hashers in the middle...."

**Ten Fingers** had a charge for **Shreddar** for getting sick with food poisoning after **Ten Fingers** run and blaming **Ten Fingers**.

"Well it isn't long and it isn't thick...."

**Hash Name:** No Hash name this week.
