## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2094 DATE: 6/8/2018 HARE: Dog

LOCATION: Lawnton

**Return to the scene of the crime, Dog's marathon run/walk.**

From what I was told there was a medium sized group of hashers that gathered at **Dog's** and **On Heat's** house at Lawnton for what everyone was hoping wasn't going to be a repeat of the last Hash run that **Dog** set, as that was a marathon. I couldn't tell you what the run/walk was like as the Hash Scribe wasn't there and was sunning himself on a beach in tropical North Queensland, no I can't back that up as I was probably in a pub somewhere in Townsville having one of a thousand beers that I consumed over the week. So I can only assume that everyone made it back to the bucket safe and sound. I can only assume that **Hash Cash To & From** then called the run count and I can only assume that the stand in **GM Chunda** then called the Hare **Dog** forward to face the music. Actually, I can confirm that last one because I spoke to **Chunda** and he said he did.

The **Run Report** as told by **Picinini**:

**Picinini** said that there was road, there was arrows, it was a run, what's not to like. Except for the whole thing because it sucked.

Score: 5/1,000,000

The **Walk Report** as told by **Fidel** and **On Heat**:

The audio didn't catch what **Fidel** said as it only caught the score. **On Heat** said that Hashers should regroup where there is a regroup, especially if there is only one Harriette in the group. Yes **Dog**.

Score: 11/1,000,010

**Letterbox Walk**. There was no letterbox report given.

The **Security Report** as told by **Sherbet**:

**Sherbet** said that it was good but it was tough trying to get a beer, getting down those stairs and getting through all the ice. But that was ok because someone else got it for her.

Score: No score given.

**Total score of 16/2,000,010**

"They outta be publicly pissed on...."

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage**: This was missing in action with **Kimasutra**.

**Small Appendage: To & From** had this and gave it to **Fidel** for chivalry on the run as that is not acceptable in any circumstance.

"Pissonya, Pissonya, Pissonya...."

**Scrubber Shirt: Wheelbarrow** had this and gave it to **Mammary Stick** for the un-Hashness in suggesting that you were allowed to drink before the runners get home.

"Take it in ya tits Mrs Murphy...."

**Brush (Vagina): Ned** had this and gave it to **Sherbet** for whinging about the ice and also for saying that there where no large appendages at Hash tonight.

"She's alright, she's alright, she a little flat chested but she's alright..."

**Spit the Dummy Award**: This was missing in action with **Simpleton**.

**Paddle (Penis Sizer)**: This was missing in action with **Killer**.

**Milestone Runs**: - Nil

**Returnees**: - Nil

**Visitors/Virgins**: - Nil

**Birthdays**: Nil

## CHARGES:

**Chunda** gave **Abbo** a drink as it never rains during a Hash run. Well it did tonight **Abbo**.

“Here’s to brother Hasher....”

**Sherbet** had a charge for **Vampire** and **Mammary Stick** for allowing alcohol to run down the driveway and into the garden.

“Take it in ya tits Mrs Murphy....”

**FIGJAM** had a charge for **On Heat** for animal cruelty. Apparently **On Heat** gave **Dog** a kick up the arse after she got back from the walk.

“She’s a Harriette and she’s alright....”

**Hash Name:** No Hash name this week.
