## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2096 DATE: 20/8/2018 HARE: Heart Starter and Overproof

LOCATION: Kallangur

The Enchanted Forest run.

A large group of hashers gathered at **Heart Starter** and **Overproof's** house in Kallangur for a nice run/stroll through the enchanted forest. At 6.30pm Overproof called for everyone to be out front so he could give tonight's run instructions. We were off, first through some local streets before entering into the enchanted forest beside the train line. For the runners it was off to the left at the end of the forest, under the train bridge and along the other side to the Petrie train station, up through the train station and out the other side and then back through Petrie to link up with the walkers where they had exited the enchanted forest and then back home. Eventually everyone made it back to the bucket safe and sound including **Pounda**, who was presumed

lost for a while after going on his first run in almost 12 months. **Hash Cash To & From** called the run count and then went home early while the **GM** called the Hare's **Heart Starter** and **Overproof** forward to face the music. The **Run Report** as told by **Abbo**:

**Abbo** said that it was very entertaining and that we got to see some stuff that we hadn't seen before, like **Ned** from behind as he hasn't been running for a while. We also got to see a big ball that got kicked and thrown around the place. We saw little arrows of flour on the track and we all made it back safely.

Score: 10/20

The **Walk Report** as told by **Pickpocket**:

**Pickpocket** said that he thought the walk was wonderful, had some good conversation on the walk as well.

Score: 8/10

**Letterbox Walk Report** as told by **Like A Virgin**:

**Like A Virgin** said that it was very memorable.

Score: 10/10

The **Security Report** as told by **Heart Starter**:

**Heart Starter** said that it was bloody awesome. A bit biased I think.

Score: 10/10

**Total score of 38/50**

"Does a Hasher like to walk, does a Hasher like to run...."

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage: Yakkity Yak** had this and decided to keep it for another week just to be sure that it works properly.

**Small Appendage: Fidel** had this and awarded it to **Kimasutra** for giving him a mouth full of abuse after he stepped in front of her on the walk while trying to fix up his previous mistake of chivalry for what he got the award for in the first place.

"Down, down, down your beer to answer for your crime...."

**Scrubber Shirt: FIGJAM** had this and gave it to **Heart Starter** because when poor **Overproof** came home from being away working, as soon as he walked in the door, **Heart Starter** yelled at him "you're setting the fucking Hash run on Monday night".

"She's the woman who wears the Hash shoes...."

**Brush (Vagina): Yakkity Yak** had this and decided to keep it for another week so that she could clean up after checking that the large appendage works properly.

**Spit the Dummy Award:** This was missing in action with **Simpleton**.

**Paddle (Penis Sizer): Pounda** had this and gave it to **Wrong Way**. When they were leaving Hash last week they walked up out of the park and **Wrong Way** said to **Pounda** "which way did the walk go tonight". **Pounda** said "I don't know, I got here late, why do you ask". **Wrong Way** said "because I parked my car in the direction of the walk and I can't remember where I parked my car". **Pounda** looked to the right and no luck, he then looked to the left and there was **Wrong Way's** car parked about 100m up the road directly under the brightest street light in the world lighting up the car like a bloody Xmas tree. No wonder they call her **Wrong Way**.

"There was a Harriette and she was dumb and Bimbo was her name...."

**Milestone Runs: - Nil**

**Returns: - Smooth Ride and a self-nominating Ten Fingers (he just wanted a drink)**

**Visitors/Virgins: - Nil**

**Birthdays: Flower**

**CHARGES:**

**Ned** had a charge for Smooth Ride because after spending a while walking through Italy, she was bragging about the number of different roots she had. Or is that routes. Smooth Ride said proudly that she had 54 of them while in Italy. You hussy.

“Take it in ya tits Mrs Murphy....”

**On Heat** had a charge for **Kimasutra**, because while they were out on the walk going through the enchanted forest, **Kimasutra** decided to start talking about people being dismembered and raped and all the things that three Harriette’s walking through the forest didn’t want to hear about.

“Do ya boobs hang low....”

**Ten Fingers** then had a charge for **Pounda** because he was away for a couple of weeks and he didn’t get a call from **Pounda** to see if he was alright. This was quickly reversed because **Pounda** said that he didn’t call him because he didn’t care about him.

“Last night he stayed at home and masturbated....”

**Hash Name:** No Hash name this week.
