HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2098 DATE: 3/9/2018 HARE: Pounda and Beat-a-Root

LOCATION: Murrumba Downs

The Post Father's Day Run.

A good sized group of hashers gathered at **Pounda** and **Beat-a-Root's** house in Murrumba Downs for what was promised to be a nice run/stroll around Murrumba Downs. Truth be known, they all came for **Beat-a-Root's** excellent cooking skills and they weren't disappointed either. At 6.30pm **Pounda** called for quiet and sent everyone out to the street to give tonight's run instructions and then we were off to harrass the good folk of Murrumba Downs. Seen as there have been no murders in Murrumba Downs for a couple of months, everyone was at ease as they made their way around what was now a pleasant and peaceful suburb. Eventually everyone made it back to the bucket safe and sound, even the 3 stooges (**Killer, Ten Fingers and Rabbi**) who were sent off on a short cut by the Hare, but didn't listen to the instructions correctly and ended up doing 2km

more than they had to. More on that later. **Hash Cash To & From** called the run count and then the **GM Flower** called the Hare **Pounda** and his undoubtable better half **Beat-a-Root** forward to face the music.

The **Run Report** as told by **Abbo**:

Abbo said that it was shit. He said that it was well marked, lots of arrows, lots of regroupings and one false trail down a hill which he wasn't impressed about (managed to get all the runners on it though) but he was going to take 5 points of because he had been promised that the local dog was going to run again tonight but he didn't show up.

Score: 5/40

The **Walk Report** as told by **Heart Starter**:

Heart Starter said that it was pretty flat, it was short and it was great.

Score: 9/1,000

Letterbox Walk Report as told by **Killer**:

Killer said that they did more than the bloody letterbox walk as they may have taken a wrong turn because they didn't listen to the instructions properly.

Score: No score given

The **Security Report** as told by **Like A Virgin**:

Like A Virgin said that it was as secure as can be.

Score: 7/100

Total score of 21/1,140

HASH RELIGIOUS ARTICLES

Large Appendage: This was missing in action with **Yakkity Yak**.

Small Appendage: This was missing in action with **Kimasutra**.

Scrubber Shirt: **Heart Starter** had this and gave it to **Like A Virgin** because when **Heart Starter** arrived at Hash tonight, **Like A Virgin** said "jeez I like your shirt". Be careful what you say at Hash **Like A Virgin**.

"She's a Harriette and she's alright...."

Brush (Vagina): This was missing in action with **Yakkity Yak**.

Spit the Dummy Award: This was missing in action with **Simpleton**.

Paddle (Penis Sizer): **Chunda** had this and gave it to **Shreddar** for turning up late. The story about how he was late was a pearler. He missed the off ramp on the highway to Dohles Rocks Rd because he might have been on the phone at the time, so he went up to the next exit at Anzac Ave, got off the highway and then back on the other side to come back, but then found out the hard way that there is no off ramp for Dohles Rocks Rd when you are coming from the north. He then had to go back over the river and up to the next exit at Strathpine Rd to get off the highway to get back on the other side again so that he could have another crack at the exit that he missed the first time. See what happens when you don't visit South Cairns as often as you should **Shreddar**.

"He's stupid, he's stupid...."

CHARGES:

Pounda had a charge for **Killer, Rabbi** and **Ten Fingers** for not listening properly to instructions from the Hare about the shortcut and causing themselves to walk an extra 2kms.

“How dumb are these Hashers in the circle...”

Pounda then had a charge for **Chunda** for calling him a poofter on the run. Just because someone got a photo of **Chunda** hanging from the roof with his groin very close to **Pounda's** face, doesn't mean that **Pounda** is a poofter.

“Has anybody seen his cock, his big Rhode Is red....”

FIGJAM then had a charge for **Pounda** for having a false trail down a hill but not taking them far enough down the hill so that they could perve on the young lady in her underwear working out in her gym with the big glass window. **Pounda** then accused **FIGJAM** for loitering precariously around Murrumba Downs of a night time because **Pounda** was totally unaware of this so-called local exhibition.

“He wanks his crank in the morning...”

Hash Name: Generic – Just because she is good value and she is a nurse, so as per the medicines that are available, she got **Generic**.

The Evidence

Our Hare's Pounda and Beat-a-Root.

Like A Virgin liked the Scrubber shirt so much that she got to take it home.

How many attempts does it take to get the right exit off the highway Shreddar.

You might want to listen to the instructions more closely next time gentleman.
