## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2100 DATE: 17/9/2018 HARE: Ned

LOCATION: Chermside West

**Ned's solo Hare run.**

There was a small but very enthusiastic group of hashers that gathered at the cricket nets in the park on Kenna St, Chermside West for what turned out to be a solo run for the Hare **Ned**. We were given the instructions for tonight's run/walk and sent us on our way. After a brief walk through the local bush was through a few local streets and then we found ourselves back at the park after a brief 3.1km walk, only to find the runners already back and enjoying a drink. Except for the Hare **Ned**, it appears that the runners took a wrong turn and lost trail and decided to make up their own run. The Hare eventually made it back to the bucket safe and sound. **Hash Cash To & From** called the run count and then the acting **GM Cheesecake** called the Hare **Ned** forward to face the music. **Mammary Stick** was also called forward as she had played a minimal part in it as well.

The **Run Report** as told by **Abbo**:

**Abbo** said that it was a bit short, it started off alright but then they lost the Hare and the trail so only did a third of the run.

Score: 1/3,000,000

The **Walk Report** as told by **To & From**:

**To & From** said that it was very walky with all sorts of arrows and things. He then said it was actually shit.

Score: 5/1,000,000

**Letterbox Walk Report**: There was no Letterbox report given tonight.

The **Security Report**: There was no Security report given tonight.

**Total score of 6/4,000,000**

“Shitonya, shitonya, shitonya, in Russian it means I adore you....”

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage**: **Boxy** had this and gave it to **Heart Starter** because she and **Yakkity Yak** did a mountain climb on the weekend and **Heart Starter** was complaining about “on the hole she is a bit sore”. So **Boxy** thought that the large appendage might loosen it up a bit.

“She’s the meanest, she sucks a horse’s penis....”

**Small Appendage**: This was missing in action with **Kimasutra**.

**Scrubber Shirt**: This was missing in action with **Like A Virgin**.

**Brush (Vagina)**: This was missing in action with **Vampire**.

**Spit the Dummy Award**: This was missing in action with **Simpleton**.

**Paddle (Penis Sizer)**: **Boxy** had this and gave it to **Ned** to measure his minimal input.

“Has anybody seen his cock, his big Rhode Is red....”

**Milestone Runs**: - Nil

**Returnees**: - Nil

**Visitors/Virgins**: - Nil

**Birthdays**: Nil

#### **CHARGES:**

**Pounda** had a charge for **Night Owl** and presented her with a small stick and told her that it was a stick, there are many like it but this one is hers. Now that she knows what a stick looks like, hopefully she won’t shit herself on the walk when she sees one as there are lots of them out there and they are sticks, not snakes.

“She’s a Harriette and she’s alright....”

**Pickpocket** had a charge for **Ned** for supplying a few strawberry punnets. Have they been checked for sewing needles **Ned**.

“Take it your hand Mrs Murphy....”

**Sherbet** had a charge for **Pickpocket** for starting rumours at Hash that **Flower** and **FIGJAM** were going overseas together. Just because they were going to separate countries. There's nothing like a good rumour at Hash. "He's stupid, he's stupid...."

There was one drink left so **Cheesecake** called **To & From** out. Apparently **To & From** hasn't been sober for the last three days, so **Cheesecake** thought he needed another drink just to top him up. "Pissonya, pissonya, pissonya...."

**Hash Name: Boxy** – he went for a Hash run in Borneo and because he was bald the locals called him **Botak** and because he used to dance all the time and thought he was sexy they then called him **Botak Dan Sexy** which got shortened to **Boxy**.
