## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2101 DATE: 17/9/2018 HARE: Thunderbox

LOCATION: The Gap

**Thunderbox's Security Evading run.**

There was a good sized group of hashers gathered at **Thunderbox** and **Adadictome's** house at East Alice Springs (The Gap) for one of BNH3's rare visits to this area. At 6.30pm we were sent out to the road and given the instructions for tonight's run/walk and sent on our way. After a brief 4.3km walk through the local streets and bush and news that the runners had to evade a security guard when they ran through a top secret government facility for research into the sustainability of our ageing Hashers, we found ourselves back at the bucket only to find **Chunda** having what was suspected to be a possible heart problem. The jury is still out on whether he actually has a heart but we will keep you posted on both fronts. Stand-in **Hash Cash Boxy** called the run count and then the **GM Flower** called the Hare **Thunderbox** and his offside **Adadictome** forward to face the music.

The **Run Report**: There was no run report given, but by the state of **Chunda** upon return I would say that it was a fairly tough run tonight.

The **Walk Report** as told by **Pizza**:

**Pizza** said that there was road and rock, there were ups and downs and views of the dam and little gates to go through. What more could we want. **Abbo** chimed in and said that it was a good walk but **Adadictome** kept swearing the whole way around. She kept saying that dam wall, that dam fence. **Jake the Peg** chimed in as well and said that it was over catered for as it even had signage for **Ned** to have a leak.

Score: 10/200

**Letterbox Walk Report**: There was no Letterbox report given tonight.

The **Security Report**: There was no Security report given tonight.

**Total score of 10/200**

“Here’s to the rooster that shags this hen, and when he gets off, he gets on again...”

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage: Heart Starter** had this and gave it to **Thunderbox** because apparently he likes to exaggerate about the size of his tool. So at least now he can show **Adadictome** what a real big one looks like.

“Has anybody seen his cock...”

**Small Appendage**: This was missing in action with **Kimasutra**.

**Scrubber Shirt: Like A Virgin** had this and gave it to **Tail**. The last time that she had it she made the fatal mistake of asking what she does with the Scrubber shirt to which Tail told her that she could wash it.

**YOU DON’T EVER WASH THE SCRUBBER SHIRT, EVER**

“She’s the woman who wears the Hash shoes...”

**Brush (Vagina)**: This was missing in action with **Vampire**.

**Spit the Dummy Award**: This was missing in action with **Simpleton**.

**Paddle (Penis Sizer): Ned** had this and gave it to **Thunderbox because** on the run there was plenty of roots and they were also shown a fresh young virgin but they didn’t get to see it properly as they were chased away by a security guard. They were promised the world but got not much more than the size of the hole in the top of the paddle instead.

“At first, I was afraid, I was petrified...”

**Milestone Runs: - Pizza (100 runs)**

**Returnees: - Nil**

**Visitors/Virgins: - Nil**

**Birthdays: Nil**

#### **CHARGES:**

**Pounda** had a charge for **Like A Virgin**. On the walk tonight **Pounda** lent **Like A Virgin** his torch so that she could see where she was going when walking through the rain forest areas. But apparently the best way to see where you are going and ensure that you don’t trip over anything is to shine the torch up into the trees.

“There was a Harriette and bimbo was her name....”

**Sherbet** had a charge for **Wrong Way** because she told **Sherbet** that she only likes to suck big ones.

“She’s a Harriette and she’s alright....”

The **GM** then had a charge for **Pickpocket**. When she was recently in KL, she had her phone stolen by a pickpocket when in one of the markets. It appears that **Pickpocket** has been recruiting.

“Do ya balls hang low....”

**Pounda** then had a charge for **Pickpocket**. Three hashers were out on a bike ride on Sunday when one of them, **Chunda**, got a screw through the side of his back tyre. Bloody tradies not covering their loads again and dropping screws and nails all over the road. And as **Pickpocket** is a tradie, he got the drink.

“He’s careless, he’s careless....”

**Hash Name: Thunderbox** – He went to hash for a while and they couldn’t think of a name for him. Then they realised that he made a lot of noise and was full of shit, so he got **Thunderbox**.
