HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2102 DATE: 1/10/2018 HARE: Mammary Stick

LOCATION: Bridgeman Downs

Mammary Stick's back in 10 mins run.

There was a good sized group of hashers that gathered at **Mammary Stick's** house at Bridgeman Downs for what all Hasher's know is usually a great run. At 6.30pm, **Mammary Stick** called for quiet and explained that there was no **Ned** tonight, so if all goes well we should be back in ten minutes. We were then sent on our way to see if we could prove her wrong. After a nice 4.1km walk, the runners did slightly more than that, everyone found their way back at the bucket. Stand-in **Hash Cash Boxy** called the run count and then the **GM Flower** called the Hare **Mammary Stick** forward to face the music.

The Run Report as told by Overproof:

Overproof said that it was a great run with not one, not two but five re-groups, awesome job.
Score: 50/200

The Walk Report as told by Pith Head:

Pith Head said that it was pretty straight forward for about a kilometre.
Score: 9/10

Letterbox Walk Report as told by Smooth Ride:

Smooth Ride said that they enjoyed their letterbox walk but they had to rush back to enjoy the hallucinogenic plants that **Mammary Stick** had in the garden.

The Security Report as told by Sherbet:

Sherbet said that she looked after the plants that kill everyone.

Total score of 59/210

“She’s the woman who wears the Hash shoes...”

The **GM** then called **Cheesecake** forward for a drink and to accept a present that she had brought back from KL. A bottle opener in the shape of the twin peaks of the Petronas Towers in KL.

“He’s the meanest, he sucks a horse’s penis...”

HASH RELIGIOUS ARTICLES

Large Appendage: This was missing in action with **Thunderbox**.

Small Appendage: This was missing in action with **Kimasutra**.

Scrubber Shirt: Tail had this and gave it to **Flasher**. Apparently, he went to a porn show with his wife and she wanted to leave after two mins. Maybe that was because you were wearing her dress. We couldn’t work out whether he went to see it or star in it.

“He wank’s his crank in the morning...”

Brush (Vagina): This was missing in action with **Vampire**.

Spit the Dummy Award: This was missing in action with **Simpleton**.

Paddle (Penis Sizer): This was missing in action with **Thunderbox**.

Milestone Runs: - Cheesecake (700 runs)

Returnees: - Fidel, Dog, On Heat, Generic

Visitors/Virgins: - Nil

Birthdays: Nil

CHARGES:

Dog had a charge for **On Heat** for falling off a travelator at the Airport and going arse over tit.

“She’s a Harriette and she’s alright...”

FIGJAM had a charge for **Yakkity Yak** for not wearing a Hash shirt. She wore a shirt advertising fitness and then ran in front of him all night showing him that he wasn't fit.

"There was a Harriette and she was dumb and bimbo was her name...."

Flasher had a charge for **Ten Fingers** for accosting a couple of 12yo boys out on the walk. We were getting a bit worried for their safety for a moment.

"Masturbation, he likes masturbation...."

Heart Starter had a charge for **Overproof**. Before the run he said that he left his torch at home, borrowed one from Heart Starter but that one was not good enough, then he borrowed one from **Pounda**. Then during the circle, he went to put his Hash vest on and as he did, his torch dropped out of the pocket onto the ground. It appears he didn't leave his torch at home after all.

"He's stupid, he's stupid...."

Chunda who was absent, through **Pounda**, had a charge for **Overproof**. After a 100km bike ride on Sunday, we were at the pub having some lunch and a few beers, when **Overproof** decided to be very un-Hashmen like and have a hot chocolate with marshmallows on. And because we don't want him to drink alone, **Cheesecake** was called out as well. When out on the ride, **Cheesecake** decided that he didn't want to ride between the yellow bollards at the entry to a park, he thought he would just ride into them instead. Then **Cheesecake** called **Pounda** out as well because he was the other silly prick who rode 100km in the rain.

"It isn't long and it isn't thick...."

Hash Name: Fidel – He got his name because he likes to smoke Cuban cigars. He assures us that is wasn't because he is a shaky character just like his namesake.
