HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2105 DATE: 22/10/2018 HARE: Scrubber

LOCATION: Lawnton

Scrubber takes over the Spots house.

There was a good sized group of Hashers that gathered at the **Spot's** house after walking half way from Sydney where the only car parking was available at the **Spot's** old abode. At 6.33pm, **Scrubber** called for quiet and told everyone to get out the front so that he give the instructions for tonights run/walk. We were off and soon returned home after a nice 4.8km walk with the runners doing about 7km. Eventually everyone make it back safe and sound. Stand-in **Hash Cash Boxy** called the run count (one more than last week) and then the **GM Flower** called the Hare **Scrubber** forward to face the music.

The **Run Report** as told by **FIGJAM**:

FIGJAM said that it reminded him of the Wentworth By-election where you vote for a certain politician and they get in and they think you're an asshole, which we are because we voted them in. Last week we had a great run put on by a Hasher that has only done three runs and then we come here tonight, and we are dickheads. (Can someone please explain to me what the hell **FIGJAM** is smoking).

Score: 1/2,000,000

The **Walk Report** as told by **Boxy**:

Boxy said that it was pretty good on the whole, lots of chalk, lots of trees and a bit of road.

Score: 10/20,000

The **Letterbox Walk Report** as told by **Ten Fingers**:

Ten Fingers said that it was well marked, especially the dog poo.

Score: 1/1,000

The **Security Report** as told by **Wet Spot**:

Wet Spot said that the place was very secure.

Score: No score given.

Total score of 12/2,021,000

"We had joy, we had fun...."

HASH RELIGIOUS ARTICLES

Large Appendage: Pickpocket had this and gave it to **Scrubber** because he didn't put a single re-group on the run.

"Has anybody seen his cock...."

Small Appendage: This was missing in action with **Wheelbarrow**.

Scrubber Shirt: This was missing in action with **Flasher**.

Brush (Vagina): Scrubber had this and gave it to **Smooth Ride** because she made a comment earlier about getting all hot and bothered but **Scrubber** thinks that she might need to give it a clean out first.

"Well she's the woman who wears the Hash shoes...."

Spit the Dummy Award: Simpleton made a return and gave this to **FIGJAM** because even though **Simpleton** had no idea what **FIGJAM** was talking about when he gave the run report, he thought that he really deserved it.

"He wanks his crank in the morning, he wanks his crank at night...."

Paddle (Penis Sizer): Tail had an announcement and said that it was with deep regret that the Paddle had met an untimely death over the weekend and is no more. So, to replace it **Tail** has produced a new award called the Ass Saver and because she was trying to save her ass for killing the paddle, she got to keep the Ass Saver for the first week. (see photo)

"She's a Harriette and she's alright...."

CHARGES:

Yakkity Yak was called forward by the **GM** for technology in the circle because her phone rang and she had to answer it. She gladly accepted a drink though because the phone call was good news as it was a man about a job. We don't know what sort of job, but someone said it had something to do with a head.
"Her left tit hangs over her shoulder...."

Heart Starter had a charge for **Boxy**, there were some gates that we had to go through on the walk tonight and even though **Boxy** grew up on a farm, he had a lot of trouble working out how to close the farm style gates. But because we didn't want **Boxy** drink alone, **Dog** was called out as well because he had had trouble opening the same gates that **Boxy** couldn't close.
"They're stupid, they're stupid...."

FIGJAM then had a charge for **Pickpocket**, something about stale chips and pubic hairs or something.
"How dumb is that Hasher in the circle...."

Hash Name: Ten Fingers was called forward and said that he used to be an accountant and that he needed ten fingers to operate his cockulator.
