HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2106 DATE: 29/10/2018 HARE: Pounda and Beat-a-Root

LOCATION: Murrumba Downs

I swear I set the run but it rained and washed away the trail.

There was a large group of Hashers that gathered at the **Pounda** and **Beat-a-Root's** house for yet another run from Chateau-de-Pounda, the fourth in six months apparantly. **Pounda** must be a glutton for punishment. At 6.30pm, **Pounda** called for quiet and told everyone out the front so that he give the instructions for tonights run/walk. **Pounda** said that he had set the run earlier in the day but as soon as he had set it the heavens opened up and washed it away, so tonight was to be a live Hare with **Cheesecake** leading the runners, **Pounda** leading the walkers and the letterbox walkers doing what ever the hell they wanted to. We were off and soon returned home after about a 4.5km walk. Eventually everyone make it back safe and sound. **Hash Cash To & From** called

the run count and the **GM Flower** called the Hare **Pounda** and his accomplice **Beat-a-Root** forward to face the music.

The **Run Report** as told by **Cheesecake**:

Cheesecake said that the run was great, awesome run, the one that they did that was. We followed trail but what was the point of giving half a dozen Hashers who can't see past the end of their nose a map that was only the size of a phone. **Strava** had an opinion of the run as well. **Strava** said it was fucked.
Score: **Strava** had no score to give, or fucks for that matter.

The **Walk Report** as told by **To & From**:

To & From said that it was pretty good, there was quite a lot of the trail that was still there which was surprising, really good walk actually.
Score: 10/1,000

The **Letterbox Walk Report** as told by **Sherbet**:

Sherbet said that she did at least three round-a-bouts and it was straight there and straight back and she didn't get wet. **Pounda** asked if she went around the round-a-bouts but **Sherbet** said no that she went through it instead.
Score: No score given.

The **Security Report** as told by **Yakkity Yak**:

Yakkity Yak said that she had very good company and that her and **Beat-a-Root** talked about injuries and boobs. Where was **Pounda** when this conversation was happening.
Score: No score given.

Total score of 10/1,000

HASH RELIGIOUS ARTICLES

Large Appendage: This was missing in action with **Scrubber**.

Small Appendage: **Wheelbarrow** had this and gave it to **Pounda** for impersonating **Chunda**. **Pounda** said that he would gratefully accept this award because when one **Pounda/Shreddar** drink, all **Shreddar/Pounda's** drink.
"Has anybody seen their cocks...."

Scrubber Shirt: This was missing in action with **Flasher**.

Brush (Vagina): Smooth Ride had this but forgot to bring it.

Spit the Dummy Award: **FIGJAM** had this and gave this to **Wheelbarrow** because as he hobbled past the runners at a regroup, he said that he was going to go with the walkers because he was smarter than you pricks (runners). And he was.
"He thinks the whole world is in his gland...."

Ass Saver: Tail had this and was going to keep it for another week because she didn't have a deserving recipient for it.

Milestone Runs: - Tail (100 runs)

Returnees: - Nil

Visitors/Virgins: - Nil

Birthdays: Abbo – Thursday (60th)

CHARGES:

Announcement – Chunda will be giving Hash a rest for a while why he gets his dicky ticker looked at. Was that his ticky dicker or his dicky ticker? In actual fact he thinks we are all just a bunch of pricks and he would be right, but it took him a while to work that out. Good luck with trying to get your health sorted out buddy. We will all be here for you. Just make sure you pay your subs before you go.

Flower had a charge for **Heart Starter** as she has just been voted in as **GM** for Thirsty Hash. One **GM** drinks, all **GM's** drink.

“She’s the woman her wears the Hash shoes....”

Jake the Peg had a charge for **Wheelbarrow** as because it was dark out on the walk someone had emerged from the scrub after doing a number two and it was **Wheelbarrow**. He emerged from a shadow and when asked if he was looking for trail he said ‘no that he had just done a number two.

“Shitonya, shitonya, shitonya....”

Heart Starter had a charge for **Yakkity Yak**. She was not running tonight because she had hurt her knee. But how did she do it you may ask. She hurt her knee while sitting on a toilet. And seen as how we don’t know anyone called toilet, it must have been a real toilet. That’s how much of a walking disaster she is.

“Take it in your hand Mrs Murphy....”

Pounda then had a charge for **FIGJAM**. While **Pounda** and **Beat-a-Root** were getting things ready for Hash tonight, **Pounda** walked into the lounge room and noticed **FIGJAM's** car parked outside at about 4.30pm with **FIGJAM** sitting in it. So **Pounda** thought that he would do the right thing and invite **FIGJAM** in as it was pretty early and he didn’t want **FIGJAM** sitting out there for that long. As **Pounda** got to the front of the car, **FIGJAM** hadn’t noticed him and there was a good reason for that. **FIGJAM** was sound asleep. **Pounda** knocked on the window and scared the shit out of him and said ‘come inside mate’. But **FIGJAM** said ‘no I’m right, I’m just reading my book’. So that’s how you read a book these days, with your eyes closed.

“He makes us happy, he makes us gay....”

Hash Name: No Hash name explained this week.
