HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2107 DATE: 05/11/2018 HARE: Cheesecake

LOCATION: Kallangur Heights

The Cheesecake Pie and Pea's Run.

There was a large group of Hashers that gathered at **Cheesecake's** house in Kallangur Heights for Cheesie's famous pie run. At 6.30pm, **Cheesecake** called for quiet and told everyone that they had a choice of three runs tonight, the run, the walk or the lazy bastards letterbox walk. We were off to wander the streets of Kallangur Heights and soon returned home after about a 6.4km run. Eventually everyone make it back safe and sound. **Hash Cash To & From** called the run count and the **GM Flower** called the Hare **Cheesecake** forward to face the music, or abuse.

The **Run Report** as told by **Simpleton**:

Simpleton said that he thought the run was very good although it was a long way in between re-groups. And when there was a re-group, they were then sent of in one direction, only to be called back again to go the other way instead. And this happened several times.

Score: 1/100

The **Walk Report** as told by **Jake the Peg**:

Jake said that it was fantastic and that he managed to annoy about forty dogs. Although **Dog** said that he thought he was okay. So that is 39 dogs.

Score: No score

The **Letterbox Walk Report** as told by **Mammary Stick**:

Mammary Stick said that she is pleased the letterbox walk has become so popular that it is now having trail set by the Hare. Don't expect that every week **Mammary Stick**.

Score: 2.5/10

The **Security Report** as told by **Beat-a-Root**:

Beat-a-Root said that the air con inside was very good. Some security.

Score: 10/10

Total score of 13.5/120

The Cheesecake Song

He makes us happy, he makes us gay,
He can bake twice a day,
He's our pieman.

Up and ready at 3am,
Alert and ready to add the jam,
He's our pieman.

He can bake in any kind of weather,
Don't you love that Cheesy taste of cheddar,
So, if you're feeling down and blue,
He's got a tasty treat for you,
Cheesecake, go bake.

HASH RELIGIOUS ARTICLES

Large Appendage: This was missing in action with **Scrubber**.

Small Appendage: **Pounda** had this and gave it to **Cheesecake**. **Pounda** usually gives **Cheesecake** a lift to Hash and when he turned up to Hash tonight to pick **Cheesecake** up, he wasn't out the front waiting. Just because it was your run **Cheesecake** that doesn't matter.

"He wanks his crank in the morning...."

Scrubber Shirt: This was missing in action with **Flasher**.

Brush (Vagina): Smooth Ride had this but forgot to bring it again and was given a drink for her sins.

Spit the Dummy Award: This was missing in action with **Wheelbarrow**.

Ass Saver: Tail had this and was going to keep it for another week because she didn't have a deserving recipient for it.

CHARGES:

Flower had a charge for **Dog** as he said that he was smelling urine in the alley ways.
"He's the meanest, he sucks a horse's penis...."

Pounda had a charge for **FIGJAM**. **Pounda** went out on the run tonight for the first time in a while and last time he checked, running was a very simple process, just one step up from walking. You lean ever so slightly forward and just make sure that you throw one leg out in front of the other and keep this process going. But not **FIGJAM**, he thought that he was better than all the other runners and that he would try a new form of running. He thought that he would lay down on the run, have a little sleep and wait up for the rest of us. He had no choice about laying down as he got himself a root on the run and went down like a sack of spuds.
"Has anybody seen his cock...."

Ten Fingers had a charge **Yakkity Yak** for running up the road and showing off at the start of the run, and then doing the walk instead.
"She's the woman who wears the Hash shoes...."

FIGJAM then tried to charge **Cheesecake** for an RSPCA issue in having a large dog but only having a door flap the size of a cat and thus not allowing the dog to go inside. This charge was very quickly reversed though as the cat flap acts as a lever that the dog uses to slide the door open and walk in normally, thus avoiding getting stuck in the door. It appears that **Leila** the dog is smarter than **FIGJAM** on this occasion.
"He outta be publicly pissed on...."

One drink left and no more charges, step forward **Ten Fingers**.
"Last night he stayed at home and masturbated...."

Hash Name: No Hash name explained this week.
