HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2108 DATE: 12/11/2018 HARE: Flasher

LOCATION: Everton Hills

Flasher's, I promise I won't get lost myself run.

There was a surprisingly large group of Hashers that gathered at **Flasher's** house in Everton Hills considering **Flasher's** thirst for setting extremely long and hilly runs. These were a brave hearted bunch that thought that they would brave what ever **Flasher** could muster up for them. At 6.34pm (what time does the 6.30pm run start), **Flasher** called for quiet and told everyone that the last time that he had a run from his place he got lost on his own run and that wouldn't happen this time. The reason, he was doing the walk as he had injured himself pulling weeds. We were off and after the first part of the run/wak being hilly, it flattened out a bit and turned out to be a good walk. The walkers did 4.2km with the runners doing about a 7km run. **Hash Cash To & From** tried to call the run count but was quickly halted as there were still four runners that hadn't returned.

Eventually everyone make it back safe and sound and then **To & From** called the run count and the **GM Flower** called the Hare **Flasher** forward to face the music.

The **Run Report** as told by **Abbo**:

Abbo said that he thought it was a bit misleading from the start when **Flasher** said that there was only one hill as there was plenty, it was pretty well marked however there was something very wrong with tonight's run in that **Ned** got half his checks right and there was just something not right there.

Score: 2/1,000

The **Walk Report** as told by **Heart Starter**:

Heart Starter said that it was very well marked, a pleasant walk tonight.

Score: No score

The **Letterbox Walk Report** as told by **Mammary Stick**:

Mammary Stick said that they hardly made it to the letterbox because they were so busy admiring **Flasher's** new garden.

Score: 9/10

The **Security Report**: No security at all tonight as everyone left the building.

Total score of 11/1,010

"Sing a song of six checks..."

HASH RELIGIOUS ARTICLES

Large Appendage: Scrubber had this and gave it to **Ned**. For a man that works on water all day you need to learn how to turn off a tap. **Ned** had come back from the run and turned the tap on to wash himself down and then walked away and left it running.

"Has anybody seen his cock..."

Small Appendage: This was missing in action with **Cheesecake**.

Scrubber Shirt: Flasher had this but seen as how he didn't wear it on the walk, he had to keep it and got a drink for his sins.

"He's stupid, he's stupid..."

Brush (Vagina): Smooth Ride has this but cannot find it. It is missing in action somewhere.

Spit the Dummy Award: This was missing in action with **Wheelbarrow**.

Ass Saver: Tail had this and was going to keep it for another week because she didn't have a deserving recipient for it.

Milestone Runs: - Nil

Returnees: - Nil

Visitors/Virgins: - **Paul** (Virgin) **Vampire** made him cum.

Birthdays: - Nil

CHARGES:

Jake the Peg had a charge for **Scrubber**. **Jake** said that this parasite in the armpit of life decided that he would hide at the top of a false trail. **Scrubber** said that he wasn't hiding at all, that he was just having a wank in the bush.

"He wanks his crank in the morning...."

Pounda had a charge for **Fidel**. When **Fidel** got back from the walk the first thing he said was 'where is the bloody beer'. When **Tail** got back and unlocked her car so we could get the eskys out, **Fidel** was no where to be seen when it came time to carry the eskys.

"He makes us happy, he makes us gay...."

Heart Starter had a charge for **Vampire**. Apparently, she was trying to have sex with a beetle. She found a beetle in her crotch. Now we are just trying to figure out whether it was John, Paul, George or Ringo.

"She's a Harriette and she's alright...."

Tail had a charge for **Flasher** as he had done such a good job of cleaning up his yard that he found a statue of a dog that he didn't know he had. I wonder if **Dog** knows that he is leaving his mark around the place.

"There's a skeeter on his peeter whack it off...."

Flasher had a charge for **Pith Head** as he had arrived at **Flasher's** place at about 3.30pm and he clearly needs to get a life.

"He's the meanest, he sucks a horse's penis...."

Hash Name: Sherbet. Her surname is Braithwaite and Darryl Braithwaite was in the band Sherbet.
