## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2109 DATE: 19/11/2018 HARE: On Heat

LOCATION: Lawnton

**On Heat's virgin Hare run.**

There was a good sized group of Hashers that gathered at **On Heat and Dog's** house in Lawnton for **On Heat's** virgin run as Hare. We were all here to support her, or was that to be subjected to her torture. At 6.30pm, **Dog** called for everyone to be out the front for **On Heat** to give the run/walk instructions for tonight's run. I can't remember exactly what was said because I wasn't really paying attention but I think that there was something said about a slippery slope. Anyhow we were off and after the first part of the run/walk where **Heart Starter** was looking for some condoms (or was that quandong's), we made a right turn and headed for the river. We eventually found a dry spot to cross but had to negotiate the aforementioned slippery slope first. Then it was on to the bike track and a big loop around the river. The walkers did 6.5km with the runners doing a little bit more.

Eventually everyone make it back safe and sound and seen as there was no Hash cash tonight there was no run count. Everyone had one more than last week. The **GM, Flower** called the Hare **On Heat** forward to face the music.

The **Run Report** as told by **Shreddar**:

**Shreddar** said that he thought it was crossed between a dog-a-thon and a dog's breakfast. It was long, it was alright and it was not too hot. No checks. Generally, shit.  
Score: 5/1,000,000

The **Walk Report** as told by **Jake the Peg**:

**Jake** said that it was fantastic, it was 20 mins too long but a lovely walk and gave it one star. On a 5-star rating that equates to the following score.  
Score: 1/5

The **Letterbox Walk Report** as told by **Mammary Stick**:

**Mammary Stick** said that they got to look at the Xmas lights so it was good.  
Score: 8/10

The **Security Report**: There was security tonight but we weren't going to let **On Heat** score her own run.

**Total score of 14/1,000,015**

"She ought to be publicly pissed on...."

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage**: **Ned** had this but forgot to bring it and somehow got away with not getting a drink for his sins.

**Small Appendage**: This was missing in action with **Cheesecake**.

**Scrubber Shirt**: **Flasher** had this and awarded it to **Ned** for growing tits and talking about them before the run.  
"He's the meanest, he sucks a horse's penis...."

**Brush (Vagina)**: **Smooth Ride** has this but cannot find it. It is missing in action somewhere.

**Spit the Dummy Award**: **Wheelbarrow** had this and gave it to **Tail**. Apparently, **Flower** was whinging but he couldn't give it to the **GM** so he gave it to her look alike. Guilt by association.

**Ass Saver**: **Tail** had this and was going to keep it for another week because she didn't have a deserving recipient for it.

#### **CHARGES:**

**Jake the Peg** had a charge for the blind fucks at the front that missed the trail and had to double back. **FIGJAM, Yakkity Yak, Fidel** and **Wrong Way**.

“Four blind fucks, four blind fucks....”

**Dog** then had a charge for **Ten Fingers**. Early in the walk, **Ten Fingers** was limping a bit and **Dog** politely said to him that there was a short cut that he could take if he wanted to, but **Ten Fingers** said that he would be right. A little bit later he said to **Dog** that he might take the short cut after all. Pity you had gone well and truly past it. “He’s stupid, he’s stupid....”

**FIGJAM** had a bonus beer for **Shreddar** for doing the run with avian flu. How did he get avian flu you might ask. He got it from an owl. **A Night Owl**. And when one **Shreddar/Pounda** drinks, all **Pounda/Shreddar** drink. “Here’s to bother hashers....”

**Shreddar** then had a charge. On the run there was a Harriette that was rummaging around in the bushes for condoms (or was that quandongs). She had come out of the bush with some quail eggs and then tried to feed them to **Dog**. She said that you can eat them but they taste like shit. Step forward **Heart Starter**. “There was a Harriette and Bimbo was her name, B.I.M.B.O....”

**Ten Fingers** had a charge for **Smooth Ride**. Since being retired, she has had to use the same piece of paper for recording the receding hare line. Someone please give her some paper. “She’s a Harriette and she’s alright....”

**Wheelbarrow** had a charge for **Dog** for leaving little packets of dog poo around the trail. “Shitonya, shitonya, shitonya....”

**Hash Name: Sherbet**. No Hash name explained this week.
