HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2111 DATE: 3/12/2018 HARE: Smooth Ride
LOCATION: Sandgate

Smooth Ride's, class is now assembled run.

There was a good sized group of Hashers that gathered at the rotunda on the water in Sandgate for **Smooth Ride's** "be quiet children as class has now assembled run". At 6.30pm, **Smooth Ride** called for quiet to give the run/walk instructions for tonight. After a few Hashers (I think it was the Harriettes) kept talking, **Smooth Ride** said that we can do this during detention if you like. The instructions were then given and we were off. The walkers did 5.6km with the runners doing a little bit more. Eventually everyone make it back safe and sound. **Hash Cash To & From** gave the run count and then the **GM Flower** called **Smooth Ride** forward to face the fire.

The **Run Report** as told by **Cheesecake**:

Cheesecake said that they followed trail all the way but he was going to give it an appropriate score for the number of re-groups that there were.

Score: 1/10,000

The **Walk Report** as told by **Vampire**:

Vampire said that she was very fortunate to do the whole walk with the Hare, so she didn't have to look for any arrows. Which was a bit worrying as the Hare forgot where she had put the arrows.

Score: 5.5/20

The **Letterbox Walk Report** as told by **Mammary Stick**:

Mammary Stick said that it wasn't too bad. Couldn't hear the audio for the rest of it due to noisy traffic.

Score: 8.5/10

The **Security Report** as told by **Beat-a-Root**:

Beat-a-Root said she was very active and it wasn't from the mozzies this time, it was the bloody ducks trying to run away with the food.

Score: 20/10,040

Total score of 14/1,000,015

"Does a Hasher like to walk, does a Hasher like to run...."

HASH RELIGIOUS ARTICLES

Large Appendage: Ned had this and awarded it to **Smooth Ride** to give her more authority when giving lessons to our younger generation.

"She's a Harriette and she's alright...."

Small Appendage: Cheesecake had this and awarded it to **Pounda**. For a bloke that is going to a war zone, he was heard complaining about getting a couple of little needles in his arm. And for complaining about getting a little prick he deserves a little prick.

"Has anybody seen his cock...."

Scrubber Shirt: Ned had this and awarded it to **FIGJAM** for suggesting that **Ned** through the Scrubber shirt in the lagoon.

"I stuck my head up a billy goats' ass...."

Brush (Vagina): Smooth Ride had this (she finally found it again) and awarded it to **Cheesecake** because he obviously needs a bit of cleaning up.

"He thinks the whole world is in his gland...."

Spit the Dummy Award: Tail had this but didn't award it.

Ass Saver: Tail had this and gave it to the **GM** for getting bitten on the ass by a wasp. If she had the Ass Saver then this wouldn't have happened.

"If I had the wings of an eagle...."

CHARGES:

Jake the Peg had a charge for **Smooth Ride** because she nearly lost her voice by talking the whole way around the walk. **Jake** said that they didn't need trail as all that they had to do was follow **Smooth Ride's** voice.

"Take it in your tits Mrs Murphy...."

FIGJAM had a charge for **Ned**. He said that we come to Hash to share a drink or two with our fellow Hashers but not **Ned**. He runs around on the run, throws his rubbish on the ground and won't share his grog (see photo for evidence).

"Hmmm, hmmm, hmmm, fuck him...."

Tail had a charge for **To & From** for not being able to figure out the remote on her car keys to get the Hash grog out. We never said he was a smart Hasher.

"He's got a skeeter on his peeter whack it off...."

Hash Name: Sherbet. No Hash name explained this week.
