## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

**RUN NO: 2113 DATE: 15/12/2018 HARE: FIGJAM and Cheesecake**  
**LOCATION: Beachmere**

**BNH3 Xmas Party Run.**

There was a good sized group of Hashers that gathered at **FIGJAM's** beachside abode in Beachmere for the 2018 BNH3 Xmas Party. Campsites were set up and lunch was served to ensure that everyone was fed and had plenty of energy for the run/walk. At 2pm, **FIGJAM** called everyone down to the beach to give the run/walk instructions for today's run and we were off. On up the beach we went and once the trail turned towards the water the pack was split as all the soft cocks opted to go around the water. There were about a dozen brave hearted souls who battled on wading through the incoming tide to follow trail. The pack soon rejoined for a quick photo and then it was off again to the drink stop at **Generic's** house. After a nice refreshing ale or two we were off again and shortly after the Hares halted everyone and split them up according to some scientific equations. The Hashers that braved the water crossing were sent one way and the soft cocks were sent on a

little diversion for their sins. Eventually everyone made it back safe and sound. **Hash Cash To & From** gave the run count and then the **GM Flower** called **FIGJAM** and **Cheesecake** forward to face the music.

The **Run Report** as told by **FIGJAM** (He had to give his own report as there were only two runners and they were both the Hares):

**FIGJAM** said that it wasn't very well done because most of the runners didn't do it, there was one Hasher even stealing the trail markers so that the Hashers behind didn't know which way to go. Other than that, it was a good run.

Score: 11/10

The **Walk Report** as told by **You're Screwed**:

**You're Screwed** said that it was marvellous. Nice flat run.

Score: 2/1,000,000

**Total score of 13/1,000,010**

"We had joy, we had fun...."

#### **CHARGES:**

**FIGJAM** had a charge for **Jake the Peg** for stealing the trail as he went which meant some of the Hashers lost their way through the water and took longer to get out.

"On top of Mt Jihad...."

**Yakity Yak** had a charge for **Dog** for peeing just near where **Yakity Yak** was standing causing her to dry reach.

**FIGJAM** and **Cheesecake** were dragged into the charge for sending her on the trail where **Dog** had peed.

"Has anybody seen their cocks...."

**Jake the Peg** had a charge for **FIGJAM** and **Cheesecake** and wanted to know which one of them wanked every 100m and which one shit themselves every 100m. But this was reversed for trail abuse.

"Last night he stayed at home and masturbated...."

**Sherbet** had a charge for **Heart Starter** for the thrilling ride that they had in **Flower's** car, where she had all sorts of things going that shouldn't have been going. Those bloody European cars.

"She's the woman who wears the Hash shoes...."

**Rabbi** had a charge for the Hares for their magic trick in changing the trail half way around. But this was reversed and **Rabbi** had to take his medicine.

"Tis the season to be stupid...."

**Boxy** had a charge for **Wrong Way** for wearing a jumper on the walk and then having to take it off because the weather was very humid. She called it her mobile sauna.

"Pissonya, pissonya, pissonya...."

**Boobarella** had a charge for **Boxy** because she told him on the run that it was about ½ hour until high tide to which he replied 'is that the water coming in or going out'

"How dumb is that Hasher in the circle...."

**To & From** then had a charge for **Boxy**. At the drink stop, **Generic** had put out her finest crystal glasses for the punch and **Boxy** went and broke two of them.

Why was he born so beautiful...?"

**Sherbet** then had a charge for **Pizza**. It appears that **Pizza** turned up today with full intentions of camping the night but forgot to bring his tent.

"He's stupid, he's stupid...."

**Pounda** then had a charge for **Boxy**. **Shitzu** had mentioned that **Boxy** only told her at 10.30am this morning about the Xmas party and caused them to almost be late for the run. Then he got here and got **Shitzu's** car bogged in **FIGJAM's** yard because he thought he was driving his 4wd.

"It isn't long and it isn't thick..."

**FIGJAM** had a charge for **Boxy** for complaining that he was too old to run anymore. When asked his age it was revealed that he was younger than the Hasher that he was complaining to.

"He's got a skeeter on his peeter, whack it off...."

**Boxy** had a charge for **Pith Head** for cutting out the shape of an L in the back of his shirt to get a loser sunburn mark.

"What a wank, what a wank, what a wank wank wank...."

**Hash Name:** No Hash name explained.

Thank you to **FIGJAM** for providing tonight's venue.

Thank you to **Beat-a-Root** for the catering with the help of **Heart Starter**.

Thank you to **Generic** for today's drink stop.
