## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

**RUN NO: 2114 DATE: 17/12/2018 HARE: Ten Fingers**  
**LOCATION: Kallangur**

**Ten Fingers Short and Sweet Run.**

There was a medium sized group of Hashers that gathered at **Ten Fingers** abode in Kallangur for what promised to be an interesting run considering the amount of rain that fell on and off during the day. At 6.30pm, **Ten Fingers** called for everyone to be out the front to give the run/walk instructions for tonight and we were off. The walkers did 2.1km with the runners doing an extra loop to ensure that they did a little bit more. Eventually everyone make it back safe and sound. **Hash Cash To & From** gave the run count and then the **GM Flower** called **Ten Fingers** forward to face the firing squad.

The **Run Report** as told by **Ned**:

**Ned** said that it was a great run. It was so great that it flashed past their eyes and it was over before they knew it.

Score: 15/10

The **Walk Report** as told by **Heart Starter**:

See the letterbox report as we couldn't work out whether it was a walk or a letterbox walk.

Score:

The **Letterbox Walk Report** as told by **Heart Starter**:

**Heart Starter** said that it was pretty good but it was a bit short, too hilly, we almost got attack by dogs and **Boxy** almost had to sacrifice **Pounda** and throw him to the dogs.

Score: 5/5,000,000

The **Security Report**: There was no security tonight. Considering that we were in Kallangur it was a surprise that all our personal stuff was still there when we got back.

**Total score of 20/5,000,010**

"We're glad you finally set a run so quit your fucking bitchin...."

#### **HASH RELIGIOUS ARTICLES**

**Small Appendage**: **Tail** had this and awarded it to **Pounda**. See the Spit the Dummy award for details.

**Scrubber Shirt**: **Tail** had this and gave it to **Pounda**. See the Spit the Dummy award for details.

"Well it isn't long and it isn't thick...."

**Brush (Vagina)**: **Heart Starter** had this and awarded it to **Pounda**. See the Spit the Dummy award for details.

"Well it isn't long and it isn't thick...."

**Spit the Dummy Award**: **Dog** had this and gave it to **Pounda**. On Saturday night at the Xmas party, **Pounda** had a spit of another kind while playing beer pong.

"Why was he born so beautiful...."

**Ass Saver**: **Flower** had this and decided to keep it for another week.

## CHARGES:

**Pounda** had a charge for **To & From**. It seems that **To & From** has been watching the Toyota commercial on TV and is looking for any reason to declare his car a write off so that he can get a new one. Upon arriving at Hash tonight he turned into a driveway to do a U-turn, he then reversed out of the driveway and tried to forcibly remove the front bumper bar on his car. He clearly didn't see **Pounda** up the road and thought that he got away with it.

"He wanks his crank in the morning..."

**Heart Starter** then had a charge for **Dog**. He tried to get **Heart Starter** to come back to an arrow on the road that happened to be the first arrow on the walk. He just wanted someone to do another lap with.

"He's stupid, he's stupid, he's really fucking dumb..."

**Pounda** had a charge for **Flower, Tail and Jake the Peg**. We weren't even out of the street and these three stooges deployed their umbrellas for two spits of rain.

"Has anybody seen their cocks..."

**Jake the Peg** had a charge for **Boxy** for being our sacrificial lamb at the Xmas party and attracting all the sand flies in Beachmere. He looked like he had chicken pox.

"His one skin hangs down to his two skin..."

**Hash Name:** No Hash name explained this week.
